

Classified Staff Union and Administration Reach Tentative Agreement

CONGRATULATIONS!!!!

On Wednesday June 21st the CSU and Administration completed negotiations for one-year agreement that provides unit members with a 4% salary increase this July and another 4% increase in January 2024. In addition, CSU was able to add additional 2.25% to each step of grades 11 through 15. The Agreement has now been forwarded to the President's Office for submission through the legislative process for ultimate funding approval. The quick response of the CSU and Administration bargaining teams in negotiating the terms of this Agreement will help assure the Classified Staff Union members receive salary increases as soon as is feasible.
