Transfer in UMass System is an employee who transfers to another campus or UMass system office.

Key Departments are offices within UMass Boston that are notified when an employee is either exiting from UMass Boston or transferring to a different department on campus to ensure there are no outstanding obligations, equipment, keys, system access, etc.

Employee Exit Survey is a tool for managers to learn about their employee's experiences and allows the opportunity for the employee to provide feedback on the nature of the organization and their work.

Exit Interview is a confidential discussion conducted by Human Resources with employees who are separating from UMass Boston. This interview is offered on the Employee Exit Survey.

Policy:

This policy is designed to manage the Employee Exit & Transfer process and ensure the process is handled in a professional manner with minimal disruption to ongoing work functions.

The department head or supervisor is responsible to:

- Facilitate a smooth transition for the exiting employee,
- Ensure knowledge and skills transfer, and
- Safeguard the assets and the resources of the university.

There are two important forms which must be completed:

- **Employee Exit and Transfer Form** and
- **ePAF.**

These forms should be completed and submitted electronically at least two (2) weeks before the employee's Last Working Date or as soon as reasonably possible.

All exiting and transferring employees are offered an opportunity to complete an employee exit survey and have an exit interview with Human Resources. The purpose is to seek information from the employee as to their experience with the organization and to identify possible areas for improvement.

Any termination of the employment relationship, whether voluntary or involuntary, must be treated in a confidential, professional manner by all concerned.

Procedures:

UMass Boston uses an electronic Employee Exit & Transfer Form to facilitate notification to key offices that an employee will terminate from UMass Boston or transfer to another UMass Boston department. This electronic form is available on the HR and Administration & Finance (A&F) websites. https://www.umb.edu/hr/forms_instructions

The exit form is issued to key UMB offices which include: Contracts and Compliance (Procard and Property), Facilities, IT, Controller's Office, Human Resources, Library, Access Control, Campus Services, ORSP, Public Safety and Academic Affairs.

The Department head or employee's supervisor completes the form and issues the form electronically at least two (2) weeks prior to the employee's Last Working Date or as soon as reasonably possible.

Using their internal business process, the key offices respond to the department head or supervisor by email within 2 (two) business days with a copy to the employee identifying property, keys, system access, financial obligations, etc. of the employee.

The department head or supervisor collects all property and informs the employee that system access will be removed on the Last Working Date and requests receipts for any outstanding financial obligations, if applicable.

Once the Employee Exit & Transfer Form is submitted, Human Resources emails the Employee Exit Survey to the employee and encourages the employee to complete it. The employee may sign the survey or remain anonymous. The employee may also request an exit interview with a member of the HR staff as part of the survey. The completed survey will update other employee survey results in HR.

The Department Head or supervisor must confirm the following tasks are completed prior to the employee's Last Working Date:

- Return of all UMass Boston property to Department Head including but not limited to:
 - Keys and/or key access cards,
 - Mobile phone,
 - Computer and/or laptop,
