ARTICLE II - UNION SECURITY

2.01
Employees who are not members of the Union on the effective date of this Agreement shall become members or agency fee payers on the thirty-first (31st) day following the effective date of this Agreement or date of employment, whichever is the later, and shall maintain their Union membership or agency service fee payment during the term of their employment, as a condition of employment.

Those who elect not to join the Union are required to pay an agency fee equivalent in amount to that of Union Dues. For all purposes of this Agreement, membership in the Union shall be deemed to have been maintained if an employee has not failed for a period of one (1) month to pay regular dues as provided in the Union’s Constitution and Bylaws or the equivalent as agency fees.

The University shall provide each member of the bargaining unit with: 1) information about GEO (as furnished by the Union); 2) a copy of this Agreement; 3) a UAW/GEO Dues Deduction Form; and 4) Upon request, a UAW/GEO Family Education Rights and Privacy Act (FERPA) waiver form as part of the new-hire onboarding process; 5) a statement substantially similar to the statement in Appendix A.

Upon the request of the Union, the University shall suspend for one (1) pay period without pay any bargaining unit member who has failed to either join the Union or pay an agency fee as described in this Article, and the University shall pay an amount equal to one (1) pay period’s salary of any employee so suspended to a fund to be determined by the University and the Union no later than the end of the academic semester in which the suspension occurs. Such suspension shall, whenever possible, occur during a period of non-performance as provided for in Article 10.04.
The Union shall intervene in and defend any administrative or court litigation concerning the propriety of such suspension for failure to pay the agency fee. In such litigation, the University shall have no obligation to defend the suspension.

The parties will agree to engage in Labor/Management discussions around facilitating communications between the Union and its members. The labor management committee shall meet at least two times per semester to discuss matters of mutual concern to the campus and/or Union.

ARTICLE III - MANAGEMENT RIGHTS

Except as modified by this agreement, all rights, powers, privileges, duties, responsibilities, and authority are retained by the Administration.

The judgment of an arbitrator, other than a judgment within the arbitrator's express grant of jurisdiction, shall not be substituted for that of the Administration with regard to any complaint or grievance based upon a challenge of a management right, subject to the provisions of this Agreement and to limitations as may be imposed by state or federal statute from time to time. Notwithstanding any other provision of this Agreement, an arbitrator shall have no authority to exercise any non-delegable authority of the Board of Trustees of the University of Massachusetts.

4.04
Disputes concerning the application of this Article shall not be subject to the grievance and arbitration procedures contained in Article VI of this Agreement, provided that nothing in this Section shall prohibit the Union or any member of the bargaining unit from filing a grievance alleging that the UMass Policies and Procedures were not implemented fairly, or that any member was otherwise mistreated.

The Union will provide the Office of Graduate Studies the names of individuals serving in the semester-long assistantships, by August 15th, for the fall semester, and by December 15th, for the spring semester. The Union shall be allowed reasonable access to the campus intra-campus mail, inter-campus mail, and e-mail systems, and shall be allowed reasonable space for a union website on the campus website (http://www.umb.edu/); provided that the dean of graduate studies or designee shall approve the content of any such website hosted on a University server.

5.09
At any such time the Union wishes the University to distribute any notices to members of the bargaining unit by campus mail or US mail, the Union shall prepare and provide these notices to the Administration. 5.12

Graduate Program Directors shall distribute these informational materials to employees who will be supervising graduate assistants.

The Union will be invited to provide input on the contents of said informational materials.

ARTICLE VI - GRIEVANCE PROCEDURE

6.01
Definitions

A grievance for purposes of this contract is defined as any dispute between the University and Union (UAW) over the interpretation or application of this Agreement and shall be settled in the following manner.

a) The Union, where appropriate, may initiate grievances concerning termination or policy grievances (those that affect more than one person) at any step of the grievance procedure prior to arbitration.

b) Failure of a grievant to comply with any provision of this article shall be deemed a waiver of the grievant's right to pursue the grievance under the terms of this Agreement. A failure of the grievant to comply with the time limits prescribed herein shall be deemed to be a failure to have complied with the provisions of this Article; however, the time limits prescribed herein may be extended in any specific instance by mutual written agreement of the parties. If the employer exceeds any time limit prescribed at any step in the grievance procedure, the grievant and/or the Union on behalf of the grievant(s) may assume that the grievance is denied and invoke the next step of the procedure, except, however, that only the Union may request impartial arbitration under Step IV. In the event that the grievant(s) and/or the Union elect to seek redress through any other remedy or proceeding established and existing under federal or state law (other than complaints before the Massachusetts Labor Relations Commission, the Massachusetts Commission Against Discrimination or the Equal Employment Opportunity Commission brought to meet agency timelines but not to be simultaneously litigated), the Employer/University shall have no obligation to process or continue processing a grievance or arbitration pursuant to this Article.

c) Any member of the unit may initiate and pursue a grievance through the steps of the grievance procedure
without intervention by any agent of the exclusive representative; provided, however, that the Union Representative and/or Steward, as applicable, shall be notified of any grievances filed by employees on their own behalf and shall be afforded the opportunity to be present at any step of the grievance procedure and, further, that any resolution made shall not be inconsistent with the terms of this Agreement.

Employees may request that the Union represent them at any step of the grievance procedure. No other representative shall be permitted. The Union or University may bring such witnesses or evidence as necessary to the third-step hearing.

d) A grievance may be withdrawn at any level.

e) No reprisals of any kind shall be taken by either party to this Agreement against any unit member(s) initiating or participating in the grievance.

f) Collateral Consequences of a Grievance – The fact that a grievance is alleged by a member of the bargaining unit, regardless of the ultimate disposition thereof, shall not be recorded in the Official Personnel File of such member; nor shall such fact be used in making any recommendation for the work assignment of such member; nor shall such member or any other member who participated in any way in the grievance procedure be subjected to any action by the Chancellor or Chancellor’s designee, whether disciplinary or otherwise, for having processed such grievance; provided, however, that nothing herein contained shall derogate from the Chancellor’s authority to take any action that might be authorized or required to be taken to give effect to the resolution of the grievance.

6.02
Procedures for Filing a Grievance

"Working days" – for the purposes of this article, are defined as including Monday through Friday, excluding holidays and University emergency closings.

Step 1 (Informal Discussion)

The Employee and/or Union Representative shall present the grievance to the employee’s immediate supervisor, or intermediate supervisor if the grievance is against the immediate supervisor, within twenty (20) working days of the time when knowledge of the events leading to the grievance should reasonably have been known. The immediate supervisor shall respond, meet with the parties, and attempt to resolve the matter within seven (7) working days of the meeting.

Step 2
If the grievance has not been resolved at Step I, it may be presented in writing within ten (10) working days from the date the immediate supervisor's response was due to the intermediate supervisor specifying the date of occurrence, the nature of the grievance, the contract provisions allegedly violated, and the remedy sought. The intermediate supervisor will respond in writing, meet with the parties, and attempt to resolve the problem within ten (10) working days after receiving the grievance. Any grievance solved at the first or second step shall have neither precedential value nor establish a binding practice.

Step 3

Failing satisfactory resolution at the second step, the grievance may be referred to the Chancellor or Chancellor’s designee within fourteen (14) working days after the intermediate supervisor’s decision was due. The Chancellor or Chancellor’s designee shall meet with the parties to hear the grievance within ten (10) days of the receipt of the Step III grievance and shall render a written opinion within ten (10) working days after such meeting. If the employer exceeds any time limit at any step without satisfactory communication, the grievant and the Union may assume that the grievance has been denied and invoke the next step of the procedure.

Step 4

In the event the Union fails to accept the third step decision, only the Union may seek arbitration by filing a written request with the American Arbitration Association within fourteen (14) working days after receipt of the employer’s written response. An arbitrator will be selected by both parties under the provisions of the American Arbitration Association rules.

The decision of the arbitrator will be final and binding on the parties. The arbitrator shall have no power to modify, amend, or alter the Agreement.

The cost of the arbitration shall be borne equally by the employer and union.
ARTICLE VII - DISCIPLINE AND DISCHARGE

7.01
Any Assistant may be disciplined, suspended without pay, or discharged for just cause by the department.

7.02
Examples of just cause for the purposes of this Agreement:

a) Failure to maintain good academic standing in accordance with Office of Graduate Studies or comparable authority policies.

b) The Assistant’s withdrawal from the appropriate graduate department or assigned program.

c) Failure to perform duties and/or responsibilities in an acceptable manner.

d) Gross misconduct.

e) Failure to maintain fully matriculated status. For purposes of this Article, students who are in “program fee” status shall be considered to be fully matriculated.

7.03
Except in cases of serious misconduct, progressive discipline shall be applied, which shall include specific attempts to remediate conduct or performance, including 1) an initial verbal warning; 2) a formal written warning containing a stated timeframe to meet department expectations and cc’d to the Office of Graduate Studies and the Union; 3) a second and final formal written warning containing a stated timeframe to meet department expectations and cc’d to the Office of Graduate Studies and the Union; 4) termination.

7.04
Individuals dismissed for failure to perform their duties in an acceptable manner will be ineligible for future reappointment as graduate employees, unless such dismissal is overturned through the grievance and arbitration procedure of this Agreement.

7.05
Individuals dismissed for just cause will have a discharge date set to the last date worked.
ARTICLE VIII - JOB POSTINGS

8.01
The University may designate certain job opportunities as reserved for the recruitment of new graduate students.

8.02
Job opportunities for continuing graduate students shall normally be posted. Postings for TA, TF, RA, and AA positions, or other positions described in 1.03, shall be targeted towards graduate students. Postings must be listed on the HR Careers job listings website, made available on the web, and placed in hard copy in areas readily accessible to graduate students in those programs to which the positions are targeted. Posting will be at the discretion of the appointing authority in cases where:

- an incumbent employee is available to fill the assistantship;

- a principal investigator anticipates filling a grant- or contract-funded position with a uniquely qualified student;

- the assistantship is offered as an integral part of a program to which students apply on a competitive basis;

- the assistantship is offered as an integral part of a multi-year training program.

Job postings shall include all relevant information about the position, including a brief general description of the duties, experience required, level and duration of funding, hours of employment, whether the position is deemed to be essential, deadline to apply, and whether or not the job is available to students outside of the employing department. These postings shall be listed as soon as the complete information becomes available to the department. Copies of all postings shall be provided to the Union.

8.03
Decisions on the awarding of positions shall be made by the department in a reasonable time frame after the posted deadline for applying. A more detailed written letter of appointment which indicates duties and responsibilities, hours and locations of work, and all other relevant information shall be provided to graduate employees prior to their assumption of the position. Where appropriate, as indicated in the job posting, assignments may be more fully negotiated between the supervisor and employee at the time of appointment offer. Additional or different terms of employment, as agreed upon by the supervisor and employee shall not exceed or increase the workload agreed upon in this contract. All additional terms of employment will be included in the written letter of appointment referenced above. A copy of the letter of appointment shall be made available to the union. Decisions of the appointing authority shall not be grievable; grievances under this article shall be limited to the above procedures.
ARTICLE IX – APPOINTMENTS

9.01
In order to be considered for a posted position, graduate students must submit an application to the hiring authority by the deadline specified on the job posting.

9.02
Once the graduate student employee has signed the employment contract, it may not be modified without the express written consent of the graduate employee and the hiring authority.

9.03
Master’s level and doctoral students shall be eligible for appointments for the duration of their degree program. Graduate student employees must be matriculated students for each semester they hold the assistantship.

9.04
Reasonable notice of employment shall be given.

a) Normally, notice of employment for the academic year shall be given by August 1. Appointments shall normally be made for the full academic year (fall and spring semesters). In specific cases where appointments are made on a semester-by-semester basis, notice for the fall semester shall be given by August 1, and for the spring semester by January 1st.

b) Circumstances that cause changes in departmental schedules which occur after the above dates may affect employment opportunities for unit members.

9.05
Appointment letters under 9.04 (a) will be available for signature at the time of the appointment offer.
ARTICLE X - WORKLOAD AND WORK YEAR

10.01
The graduate student employee workload shall be determined by the hiring authority with the approval of the Graduate Program Director.

10.02
The work year shall consist of two discrete employment periods corresponding to the fall and spring semesters as defined by the academic calendar. Fall appointments will begin the Sunday immediately prior to the start of Fall classes and end the first Saturday in January. Spring appointments will begin the Sunday immediately prior to the start of Spring classes and end the Saturday after Spring commencement. These hold unless a different term of employment has been identified in the Offer & Acceptance Letter or employment contract.

Stipend; tuition waivers; health, vision, and dental insurance benefits will be prorated for any term of employment less than the regularly identified term.

10.03
The workweek shall be eighteen (18) hours for full-time graduate student employees during the fall and spring semester employment periods. The workweek for appointments at less than full time will be calculated on a pro-rata basis.

The workweek for a full-time Teaching Fellow shall consist of two class sections per semester of appointment. The workweek for a half-time Teaching Fellow shall consist of one class section per semester of appointment.

10.04
There are generally no employment obligations for graduate student employees during intersession (between fall and spring semesters), during the one-week break during the spring semester, or during the summer months, unless a different term of employment has been identified. Any different terms of employment must be agreed upon by the supervisor and graduate student employee, and reduced to writing in a letter of appointment prior to the assumption of the position (see 8.03).

10.05
Nothing stated in this agreement shall prohibit graduate student employees from securing additional off-campus employment. Graduate employees may apply for and accept additional assistantships or on-campus employment without penalty or recourse from their original employing department(s), as long as the resulting total appointment does not exceed 1.0 FTE.

10.06
Assignments for graduate student employees will be such that they can be reasonably expected to discharge them within the number of hours specified in the individuals’ contracts. No member of the bargaining unit shall
be instructed to work more hours than specified in the graduate student employee’s contract. Any restructuring of the graduate student employee’s workload will be discussed with the affected individual by the hiring authority. Department-wide changes will be discussed with all affected graduate student employees.

10.07
Significant changes in features of a graduate student employee’s workload (such as class size, number of sections or courses taught, or number of students advised) shall be structured in such a way as not to increase the graduate student employee’s expenditure of time beyond the number of hours specified in the graduate student employee’s contract (e.g., switching from essay to multiple choice, adding graders) and shall be discussed by the department chair with the graduate student employee involved. Department-wide changes shall be discussed with all affected graduate student employees.

10.08
If a department wishes to increase the enrollment cap in a course taught by a graduate student employee, the department head shall consult with affected graduate student employees in a manner deemed appropriate by the department head and shall reduce any understanding to writing.

10.09
Graduate employee may be asked to perform clerical or secretarial tasks only if such tasks are directly related to the graduate employee’s primary assignment. Graduate employees are not to be asked to perform work of a personal nature.

10.10
All new Graduate Assistants shall attend an orientation that will last no more than four hours and shall not occur before the third Monday of August. Returning Graduate Assistants shall attend an orientation that will be scheduled no earlier than the start of the Fall semester and no later than the third Monday of the Fall semester. The University may conduct similar orientations for the Spring semester. No unit member shall be subject to adverse action for failing to attend an orientation. The University will make materials distributed at orientations available for unit members who did not attend the orientation. The University shall provide the Union opportunity for input into orientation topics.

10.11
The University shall fund a pool consisting of $12,500 per year for the purpose of funding the scholarly activities of members of the bargaining unit; provided that the criteria and method of distribution shall be determined by a special labor-management committee.

The funds referred to in this article must be expended during each respective fiscal year.
ARTICLE XI - LAYOFF AND RECALL

11.01
If the Administration determines that it may be necessary to abrogate for financial reasons the contract of any graduate student employee prior to its expiration date, the Administration shall so notify GEO and shall provide a reasonable period of time, and, whenever possible, a minimum of thirty days, to consult with GEO. If, after such consultation, the Administration determines that it remains necessary to abrogate for financial reasons the contract of any graduate student employee prior to its expiration date, the Administration shall so notify GEO and shall provide them with a list of affected individuals. Affected individuals shall receive all tuition waivers for which they would have been eligible had their contract not been terminated prior to its expiration date and shall receive 60% of the remainder of their stipend for the semester in which the contract abrogation takes effect.

11.02
If the Administration determines that it may be necessary to abrogate, due to organizational or programmatic changes, the contract of any graduate student employee prior to its expiration date, the Administration shall so notify GEO and shall provide a minimum of thirty days to consult with GEO. If, after consulting with GEO, the Administration determines that it remains necessary to abrogate, due to organizational or programmatic changes, the contract of any graduate student employee, prior to its expiration date, the Administration shall so notify GEO and shall provide GEO with a list of affected individuals. Affected individuals shall receive a minimum notice period of one semester. Affected individuals shall receive all tuition waivers for which they would have been eligible had their contract not been terminated prior to its expiration date.

11.03
If, at any point within the residual contract period or the residual period of commitment specified in the original offer letter, whichever is longer, the department from which the graduate student employee was laid off is able to make a graduate student appointment for which the laid off individual is, in the opinion of the department head, qualified, the laid off individual will have recall rights to that position.

ARTICLE XII - HEALTH AND SAFETY

The University will make all reasonable efforts to ensure the health of employees and to maintain the safety and comfort of the workplace. Two representatives from the Graduate Employee Organization will have membership on the campus-wide Environmental Health and Safety Committee.
ARTICLE XIII – STIPENDS

Graduate student employees shall have the option of paying all tuition and fees customarily billed through the Bursar’s Office through bi-weekly payroll deduction. Any graduate student employees wishing to exercise this option must so notify the Bursar’s Office, on a payroll deduction authorization form, by the specified and published due date on the first graduate student bill for each semester. Any graduate student employees who do not return a signed payroll deduction authorization form by the deadline will not be permitted to pay their bill through payroll deduction. Payroll deduction authorization forms will be made available on the University website or through the electronic student system. Graduate student employees shall be notified by message on their graduate student bills and a Bursar’s Office e-mail of the website to electronically access payroll deduction authorization forms. Payroll deduction will be in five bi-weekly installments during each semester.

Payroll deduction shall be permitted for all unit members who wish to participate in UAW’s VCAP, a political action committee. All payroll deductions for unit members shall be allocated in equal amounts in each paycheck. A bargaining unit member who wishes to participate must consent in writing to the authorization of the deduction from his or her wages and to the designation of VCAP as the recipient thereof. Such consent shall be in a form acceptable to the Employer/University Administration and shall bear the signature of the bargaining unit member. A bargaining unit member may withdraw his or her authorization by giving at least sixty (60) days’ notice in writing to his or her campus Human Resources office. The Employer/University Administration shall deduct contributions from the pay of bargaining unit members who request such a deduction in accordance with this Article and transmit such funds to the VCAP holding account within thirty days after the last day of the month in which the deduction is made, provided that the Employer/University Administration is satisfied by such evidence as it may require that the treasurer of VCAP has given a bond, in a form approved by the Employer/University Administration, for the faithful performance of his or her duties in a sum and with such surety or securities as are satisfactory to the Employer/University Administration. The Union will defend the Employer/University Administration against any and all claims arising from or related to this Article.

APPENDIX A

As you may know, graduate assistants at UMass Boston are represented by the Graduate Employee Organization (GEO), an affiliate of United Auto Workers (UAW), Local 1598. Enclosed is an information packet prepared by GEO, including the benefits of membership and a Dues Deduction Form. Whether you choose to join GEO is up to you. However, if you choose not to join, GEO requires that you pay an agency service fee.

The Massachusetts Public Employee Collective Bargaining Law (Massachusetts General Law Chapter 150E) allows employers and unions to include so-called union security clauses that require the payment of union dues or an agency service fee in their collective bargaining agreements. However, once the clause is negotiated, the employer plays a limited role in its enforcement. The union sets the amount of both the dues and the agency service fee and instructs the employer when to impose a sanction for non-payment.

Further, because you are employed as a result of your status as a student, your employment status is an “education record” as defined by the Family Education Rights and Privacy Act (FERPA). 34 CFR 99.3 (b)(3)(ii). Accordingly, the University has not disclosed your status as a student employee to GEO. The University has instead developed a process that coordinates the efforts of the Office of Graduate Studies and the Human Resources Department to both protect your confidential education records under FERPA and to meet its obligation under the collective bargaining agreement.

For convenience, the Office of Graduate Studies has agreed to collect and forward Dues Deduction Forms to GEO on behalf of graduate student employees. However, please note that submitting a completed Dues Deduction Form (and thereby voluntarily identifying yourself as a graduate student employee) is not a University requirement. Although you may not join GEO without voluntarily identifying yourself, you may choose to pay an agency fee and keep your identify as a graduate student employee confidential.

Finally, the Massachusetts Labor Relations Commission deals with complaints about both the amount imposed as an agency service fee and the process by which a demand for the payment of that fee is made. For more information, you may contact the Commission at (617) 626-7132.
