Section 1.

The parties agree not to discriminate in any way against employees covered by this Agreement on account of race, religion, creed, color, national origin, sex, age, mental or physical handicap.

Section 2.

Therefore, the parties acknowledge the need for positive and aggressive affirmative action.

Section 3.

Any matters concerning this Article shall be subject to the Campus Affirmative Action Grievance Procedure and not the grievance and arbitration procedures provided in Article 28 of this Agreement. These procedures are not a waiver of statutory rights.

Article 8
Workweek and Work Schedules

- A. The regular hours of work for full-time employees shall be an average of thirty-eight and one half (38½) hours per week, including roll call time, over a six calendar week period.
- B. The work schedule, both starting times and quitting times, of employees shall be posted on bulletin board at each work location or otherwise made available to employees and Union stewards.

- C. When the University desires to change the regular work schedule of an employee he shall give the affected employee at least five (5) calendar days written notice of such contemplated change, except in cases of emergency involving the health and safety of those persons whose care and/or custody have been entrusted to the University.
- D. The University agrees to keep in effect its existing schedule called the "4-2" day-off schedule and arrangements attendant thereto.

Section 2. Overtime

- A. An employee shall be compensated at the rate of time and one-half his/her regular rate of pay for authorized overtime work performed in excess of forty hours per week.
- B. An employee whose regular work is less than forty hours shall be compensated at his/her regular rate for authorized overtime work performed, up to forty hours per week, that is in excess of his/her regular workweek.
- C. An employee shall be compensated at the rate of time and one-half his/her regular hourly rate of pay for authorized overtime work performed in excess of eight hours in his/her regular workday except that an employee whose regular workday is more than eight hours shall be compensated at the rate of time and one-half his/her regular hourly rate of pay for authorized work performed in excess of his/her regular workday. The University shall not, for the purposes of avoiding the payment of overtime, curtail the scheduled hours of an employee during the remainder of a work week in which the employee has previously worked hours beyond his/her normally scheduled workday. This paragraph shall not apply to employees who, because of the nature of the duties in their positions, work an irregular workday, nor shall it apply to employees who have been permitted by the University to participate in an approved voluntary flexible hours program that has been duly authorized by the University. Effective with the signing of this agreement, there shall be no election of compensatory time in lieu of overtime compensation.
- D. All time for which an employee is on full pay status, such as sick leave, vacation,

holidays, paid education leave, shall be considered time worked for the purpose of calculating overtime compensation.

- E. There shall be no duplication or pyramiding of the premium pay for overtime work provided for in this Agreement.
- F. The University shall make every effort to make payment in the pay advice following the payroll period of the overtime worked.
- G. In so far as practicable, overtime shall be distributed equitably and impartially among employees in each work location who ordinarily perform such related work in the normal course of their work week. Overtime distribution shall afford patrol officers and sergeants first option of assignments consistent with their classifications. If no patrol officers or sergeants are available to work overtime, the University may offer the overtime assignment to other academy trained police officers, or require patrol officers or sergeants to work the overtime assignment.

For example, when an overtime assignment becomes available consistent with a patrol officer's classification, patrol officers shall be given the first option of assignment. If an overtime assignment remains unfilled after first offering the opportunity to the patrol officers, sergeants shall be given the next option of assignment. If an overtime assignment remains unfilled the University may offer the overtime assignment to other academy trained police officers or require a patrol officer to work the assignment and if no patrol officer is available to work the assignment, a sergeant can be required to work the assignment.

This same process shall be followed when an overtime assignment becomes available consistent with a sergeant's classification, in that sergeants will be given the first option of assignment, etc.

- H. The provisions of this Section shall not apply to employees on full travel status.
- I. In instances where no employees can be found to perform overtime work, the University may assign such work on a mandatory basis. Such assignments shall be distributed as equitably as possible amongst all employees.
- J. The University shall keep records of the overtime work and make same available for inspection by the Union at reasonable times.

Section 3. Call Back Pay

Effective on the date of signing of this Agreement, an employee who has left his/her place of employment after completing work on his/her regular shift and is called back to work prior to the commencement of his/her next scheduled shift shall receive a minimum of four hours pay at his/her regular hourly overtime rate. This Section shall not apply to an employee who is called in to start his/her shift early and who continues to work that shift.

Section 4. Court Time

Any member of the bargaining unit who, while off duty, is required by the University to appear as a witness for the Commonwealth in a criminal case, in district, juvenile or superior courts, License and Police Commissions, and show cause hearings and civil cases arising out of such criminal cases shall be paid at a rate of time and one-half. The unit member will be paid a minimum of four (4) hours at the time and one-half rate. If an employee is summonsed to appear as a witness for the Commonwealth in a criminal case, in district, juvenile or superior courts, before the License or Police Commissions, or at show cause hearings or civil cases arising out of such criminal cases, the University shall timely hand deliver the summons to the officer or shall place a copy of the summons in the officer's department mailbox.

Section 5. Shift Differential

- A. Unit members rendering service on a second shift, as hereinafter defined, shall receive a shift differential of seventy five cents (\$.75) per hour for each full hour worked. Unit members rendering service on a third shift, as hereinafter defined, shall receive a shift differential of one dollar and twenty five cents (\$1.25) per hour for each full hour worked. Unit members rendering service on weekend shifts, as hereinafter defined, shall receive a shift differential of one dollar (\$1.00) for each full hour worked.
- B. For the purpose of this section only, a second shift shall be one that commences at 1:00 p.m. or after and ends no later than 2:00 a.m.; a third shift shall be one that commences at 9:00 p.m. or after and ends no later than 9:00 a.m.; weekend shifts shall be ones that commence at 3:30 p.m. on Friday, or after, and end not later than 7:30 a.m. on Monday.
- C. The above hourly shift differentials shall be paid in addition to regular

salary for eligible employees when their entire workday is on a second, third or weekend shift. Eligible employees who are required to work a second, third or weekend shift, or any portion thereof, on an overtime basis, replacing a worker who normally works such second, third or weekend shift, will receive an hourly shift differential pursuant to Paragraph A of this section.

- D. For employees who are required to work a second, third or weekend shift as governed by Paragraph C of this Section, overtime shall be compensated at the rate of time and one-half of the regular salary rate and the shift differential for the number of hours in excess of forty (40) hours per week worked on such second, third or weekend shift.
- E. An employee who is directed and/or approved to attend training(s) on a shift in lieu of his/her regularly scheduled shift, which shift entitles him/her to be paid a shift differential, shall continue to receive the shift differential for the duration of the training.

Section 6. Paid Details

- A. Paid details are work assignments, beyond the regularly scheduled workweek of an employee, for which the primary or originating source of funding is from outside the University of Massachusetts.
- B. Paid details shall be distributed fairly and equitably. Details shall be voluntary and shall be posted and averaged on a continuing basis.

Distribution of paid details shall afford patrol officers and sergeants first option of assignments. If no patrol officers or sergeants are available to work, the University shall provide detail assignment to other academy trained police officers and/or other qualified person(s) who are capable of carrying out the required duties of the detail.

For example, when a detail assignment becomes available, patrol officers shall be given the first option of assignment. If a detail assignment remains unfilled after first offering the opportunity to the patrol officers, sergeants shall be given the next option of assignment. If a detail assignment remains unfilled after offering the opportunity to the sergeants, the University will provide this detail assignment to other academy trained police officers and/or other qualified person(s) who are

capable of carrying out the required duties of the detail.

This same process shall be followed when a detail assignment becomes available consistent with a sergeant's classification, in that sergeants will be given the first option of assignment, etc.

- C. For details as defined in this Agreement employees shall be paid a flat hourly rate to be determined by the Director of Public Safety and the Union; but in no case for patrol officers shall such rate be less than \$47.00 upon execution of this Agreement, \$48.00 effective July 1, 2015 and \$49.00 effective July 1, 2016 and for Sergeants such rate shall not be less than \$51.00 upon execution of this Agreement, \$52.00 effective July 1, 2015 and \$53.00 effective July 1, 2016. Employees shall receive a minimum of four hours pay for each detail. This article shall be effective moving forward from the date of the execution of this Agreement.

- D. Effective the date of the execution of this Agreement the Department of Public Safety shall require a notice of cancellation of a detail as defined in this Agreement from the requestor to the Department of at least eight (8) hours prior to the time the detail was scheduled to begin and the University shall make all reasonable effort to provide officers assigned to a detail at least four (4) hours notice in the event of a cancellation. If the requestor fails to notify the department within the above specified time limit, any officer assigned to that detail shall be entitled to four (4) hours pay at the detail rate to be paid by requestor. The provisions of this clause do not apply to cancellations for inclement weather or other instances where the event is cancelled by the University.

- E. Members of the bargaining unit shall have the right of first refusal for any and all details and/or overtime before the University calls an outside source.

Section 7. Roll Call Pay

Notwithstanding the provisions for premium pay for overtime work contained in Section 2 of this Article, employees whose regular work day does not include an unpaid meal period may be required to attend daily roll call which shall commence fifteen (15) minutes before the start of their regular shift. Overtime compensation shall be paid for roll call.

An employee who is late for roll call or is absent for any part of his/her scheduled workday shall not receive roll call pay for that workday.

Section 8. Field Training Officers

Employees assigned as “field training officers” shall receive, in addition to their regular pay, ten(10) hours of overtime pay for the preparation of written reports relating to the trainees’ performance and progress, calculated in accordance with Section 2(A) of this Article for each week worked in such assignment; *provided*, that the Director of Public Safety or his/her designee shall have sole discretion in the assignment to or removal from such assignment and the exercise of such discretion shall not be subject to the grievance and arbitration provisions contained in Article 28.

Section 9. Inclement and Hazardous Conditions

For the purposes of this Article, an inclement weather or hazardous condition shall exist whenever the campus announces a closing or delayed opening in accordance with **“Campus Closure Policy and Procedures”** as may be amended from time to time until such time when the University announces the University is reopening.

- a) When the University closes during or before a shift, employees shall be compensated for their regular shift, as if they had worked **provided that, any employee who is scheduled to be absent due to authorized vacation, sick, or personal leave during an inclement weather or hazardous condition shall not be compensated.**
- b) In addition to paragraph (a), any Unit member who reports to work during a period of closing shall be compensated at a rate of time-and-one half their regular pay during all such work during a period of closing.
- c) In the rare case that a Dispatcher and/or a Patrol Officer has been mandated to work an overtime assignment, and during that overtime assignment the University announces a closing or delayed opening in accordance with policy, the employee shall be compensated at a rate of time-and-one half their regular pay and in addition, earn compensatory time for all hours worked during the closure.

Article 9 Leave

Section 1. Sick Leave

- (a) Effective June 30, 1996, a full-time employee shall accumulate sick leave with pay credits at the rate of one work day for each full payroll month of employment for a total of 12 days per year. An employee on any leave with pay or industrial accident leave shall accumulate sick leave credits.
- (b) A regular part-time employee shall accumulate sick leave credits in the same proportion that his/her part-time service bears to full-time service.
- (c) Sick leave shall be granted to an employee only under the following conditions:
 - 1. an employee cannot perform his/her duties because he or she is incapacitated by personal illness or injury;
 - 2. the spouse, child, or parent of either an employee or his/her spouse, or a relative living in the immediate household of an employee, is seriously ill; the employee may utilize sick leave credits up to a maximum of ten (10) days per calendar year; or
 - 3. through exposure to contagious disease, the presence of the employee at his/her work location would jeopardize the health of others.
- (d) A full-time employee shall not accrue sick leave credits for any month in which he/she was on leave without pay or absent without pay for a total of more than one (1) day.
- (e) Where the University has reason to believe that sick leave is being abused, the University may require the submission of satisfactory medical evidence. Failure to produce such evidence within seven (7) days of its request may result, at the discretion of the University, in denial of sick leave for the period of absence.
- (f) The University may require that an employee, wishing to return to work after an absence of more than five (5) consecutive days because of illness or injury, be examined by a physician designated by the University and/or by a physician of the employee's choosing. If the University requires the employee to be examined by their designated physician, the University

shall assume the cost of such examination. The results of such examination(s) must attest to the fitness of such employee to return to his regularly assigned duties.

- (g) Sick leave must be charged against unused sick leave credits in units of one-half (1/2) hour or full hours, but in no event may the sick leave credits used be less than the actual time off.
- (h) Any employee having no sick leave credits, who is absent due to illness, may be placed, unless otherwise notified by the employee, on personal leave, or if no personal leave credits, then on vacation leave, and if no vacation leave credits, then on leave without pay. Such leave shall be charged on the same basis as provided in Subsection (g).
- (i) An employee who is reinstated or re-employed after an absence of less than three (3) years shall be credited with his/her sick leave credits at the termination of his/her prior employment. An employee who is reinstated or re-employed after a period of three (3) years or more shall receive prior sick leave credits, if approved by the University, where such absence was caused by:
 - 1. Illness of said employee;
 - 2. Dismissal through no fault or delinquency attributable solely to said employee; or
 - 3. Injury while in the employment of the University in the line of duty, and for which said employee would be entitled to receive Workers' Compensation benefits.
- (j) A regular part-time employee shall not accrue sick leave credits for any month in which he/she was on leave without pay or absent without pay in the same proportion that his/her service bears to one (1) day of service of full-time employee.
- (k) Notification of absences under this Article must be given to the designated representative of the University as early as possible, but at least one and a half (1^{1/2}) hours prior to the beginning of the scheduled tour of duty. If such notification is not made, such absence may, at the discretion of the University, be applied to absence without pay. In extraordinary circumstances beyond the control of the employee, the above notification

period may be waived.

- (l) No employee shall be entitled to leave under the provisions of this Article in excess of the accumulated sick leave credits due such employees.
- (m) Employees whose service with the University is terminated shall not be entitled to any compensation in lieu of accumulated sick leave credits. Employees who retire shall be paid twenty (20) percent of the value of their unused accrued sick leave at the time of their retirement. It is understood that any such payment will not change the employee's pension benefit. For unit members hired on or after **July 1, 2014** all such unit members shall accrue a maximum of 120 days of sick leave.
- (n) Sick leave credits earned by an employee following a return to duty after a leave without pay or absence without pay shall not be applied to such period of time.
- (o) An employee who, while in the performance of his/her duty, receives bodily injuries resulting from acts of violence of patients or prisoners in his/her custody or who receives such injuries in the pursuit, apprehension or detention of suspects as reflected in official police reports and affirmed by the Director of Public Safety, and as a result of such injury would be entitled to benefits under Chapter 152 of the General Laws, shall, if entitled under Chapter 30, Section 58 of the General Laws, be paid the difference between the weekly cash benefits to which he/she would be entitled under said Chapter 152 and his/her regular salary without such absence being charged against available sick leave credits, even if such absence may be for less than six (6) calendar days.
- (p) An employee who sustains a compensable injury, as determined by the Human Resources Division, Workers' Compensation Section of the Commonwealth, shall receive, from the University, the difference between his/her regular base pay and the amount received through the Workers' Compensation Section. Absence caused by such compensable injury shall not be charged against available sick leave credits, even if such absence is for less than six (6) calendar days.

Should such injury be deemed not compensable by the Workers' Compensation Section, the employee shall reimburse the University for all compensation received from the first day, either by charges to accrued

time or by payroll deduction as deemed appropriate by the University, or by a combination of both.

- (q) An employee may exercise the option, at the end of the fiscal year, to receive in cash a dollar amount equal to 50% of their annual unused sick leave credits up to a maximum of six (6) days based on the table below:

<u>Annual Sick Leave Used</u>	<u>Cash In Allowed</u>
0	6
1	5
2	4
3	3

The decision to cash in sick days must be made by the employee by May 1 of the fiscal year. Sick days cashed in shall be deducted from the employee's sick leave balance.

Section 2. Sick Leave Abuse

For this section "*Sick Leave Abuse*" shall mean— any misrepresentation of the actual reasons for charging an absence to sick leave, and may include chronic, persistent, or patterned use of sick leave.

- (a) The following guidelines will be used, as a minimum, to determine sick leave abuse:
1. Three (3) sick days in thirty (30) days: 1 month
 2. Five (5) sick days in ninety (90) days: 3 months
 3. Seven (7) sick days in one hundred eighty (180) days: 6 months
 4. Nine (9) sick days in two hundred seventy (270) days: 9 months
 5. Twelve (12) sick days in three hundred sixty (360) days: 12 months
 6. Patterned use of sick leave.

Section 12.

An employee who is reinstated after military leave, as referred to in Section 11, may be granted vacation allowance up to the equivalent of twelve (12) months' accrual as of the date on which he/she returned or returns, provided, that prior to such military leave, vacation had not been used or compensation paid in lieu thereof for the same year. The same procedures shall apply to Dispatchers.

Section 17.

Vacation status previously earned by an employee while in the employ of the Commonwealth or any of its cities, towns or municipalities prior to employment as a member of one of the bargaining units shall be retained by such employee, provided that no break in service of three (3) years or more occurred between termination of such prior employment and the commencement of employment by the Board. Article 28 Grievance and Arbitration Procedures

Section 1. Introduction

The parties recognize that G.L.C. 150E Section 8 provides a mechanism for arbitration of disputes between the parties to a collective bargaining agreement and further provides that the parties to an agreement may establish an independent grievance procedure culminating in final and binding arbitration. It is the intent of the parties to this Agreement to use their best efforts to encourage the informal and prompt settlement of grievances which may arise between the Union or an employee or group of employees and the University. In the event the Union or an employee elects to pursue any matter covered by this Agreement in any other forum, the University shall have no obligation to process or to continue to process any grievance or arbitration proceedings pursuant to this Article or the Affirmative Action Article herein.

Section 2. Definitions

- A. Grievance - "Grievance" shall mean any dispute concerning the application or interpretation of the terms of the collective bargaining agreement. It shall be a written statement on a Grievance Form setting forth all the known facts material to the alleged breach on which the grievance is based, including the date when such breach is alleged to have occurred and the specific contractual provisions alleged to have been breached, and shall set forth the remedy requested.
- B. Grievant - "Grievant" shall mean an employee or group of employees, or the Union on behalf of the employee(s), as the case may be, who, pursuant to the terms of the Agreement, seeks resolution of a grievance.

days from the date of the occurrence of the event or the date on which the unit member had or should have had reasonable knowledge of the event or conditions upon which the grievance is based. Within three (3) days after receipt of such notice, the Immediate Supervisor shall meet or arrange to meet with the Union and/or the grievant in an attempt to resolve the grievance. If within five (5) days after such meeting, the Union and/or the grievant and the Immediate Supervisor have failed to agree upon resolution of the grievance, the Union and/or the grievant may elect to proceed to the next level.

B. Step 2: Department Head

If the Union and/or the grievant elects to proceed to this Step, then within seven (7) days after the expiration of the final time period provided for in Step 1, he/she or the Union shall file the written grievance with the Department Head. The Department Head shall meet with the Union and/or the grievant to resolve the dispute and shall respond in writing within fifteen (15) days from the receipt of the grievance.

C. Step 3: Chief Executive Officer or the Campus or Designee

If the Union and/or the grievant elects to proceed to this Step, then within seven (7) days of receipt of the Step 2 decision, the Union and/or the grievant shall send a notice of this intent to the Chief Executive Officer of the Campus, or designee (hereinafter in this Article "CEO"). The CEO shall meet with the Union and/or grievant for review of the grievance and shall render a written opinion, after consultation with the Director of Labor Relations, within twenty (20) days of receipt of the notice required to initiate this step.

D. Step 4: President of the University of Massachusetts

If the Union and/or the grievant elects to proceed to this Step, then within seven (7) days of receipt of the Step 3 decision, the Union and/or the grievant shall file a notice of this intent with the President of the University of Massachusetts or designee (hereinafter in this Article "President") and a copy of such notice with the CEO. The CEO shall forward, forthwith, a complete copy of the grievance record to the President. Within twenty-five (25) days of receipt of the notice required to initiate this Step, the President shall review said grievance and issue a written decision.

E. Step 5: Arbitration

Within thirty (30) days of receipt of the Step 4 decision, arbitration of a grievance may be initiated subject to and in accordance with the following provisions:

- a. The Union shall have the exclusive right to initiate arbitration of a grievance.
- b. The Union may initiate arbitration of a grievance only if the resolution of the grievance has been sought through all four (4) prior Steps of the grievance procedure, except as is otherwise provided in this Article;
- c. The Union shall initiate arbitration by giving written notice to the President and the CEO within said thirty (30) days that it intends to submit a grievance to arbitration.
- d. If the parties fail to agree on the selection of a single arbitrator, the Union may request the American Arbitration Association to provide the parties a panel list of arbitrators from which a selection of a single arbitrator shall be made in accordance with the rules of the American Arbitration Association.

Section 5. Union Representation

Any member of the Unit may initiate and pursue a grievance through the first four (4) steps of the grievance procedure without intervention by any agent of the exclusive representative, provided that the exclusive representative shall be afforded the opportunity to be present at any conference held and that any adjustment made shall not be inconsistent with the terms of this Agreement.

Any employee may request that the Union represent him/her at the initial step of the grievance procedure. No other representative shall be permitted at Steps 1 - 5. If the employee chooses at any point during the grievance procedure not to be represented by the Union then the Union shall have no further responsibility to represent the employee in regard to that grievance. The Union shall notify the Immediate Supervisor, the Department Head, the CEO and the President, as the case may require, of the name and address of such Union representative at the time he/she is so authorized to represent the grievant.

Section 6. Waiver and Admission

A. Waiver

If the University exceeds any time limit prescribed at any step in the grievance procedure, the grievant and/or the Union may assume that the grievance is denied and may, within twenty-five (25) days of the response due date, invoke the next step of the procedure; except, however, that only the Union may request impartial arbitration under Step 5. Failure of the grievant to comply with any of the provisions of this Article shall be deemed to be a waiver of the right to seek resolution of the grievance under the terms of this Agreement. In determining whether there has been any such failure to comply with any of the provisions of this Article, time shall be deemed to be of the essence, and any failure of the grievant to comply with any of the time limits prescribed herein shall be deemed to be such failure to comply with the provisions of this Article; provided, however, that the time limits prescribed herein may be extended in any specific instance by mutual agreement of the parties.

B. Admission

The resolution of a grievance by the immediate supervisor, the Department Head, the CEO, the President, or any of their designees, as the case may be, shall not be deemed to be an admission by the University that the

grievance has, for any other purpose or proceeding, standing as a grievance or constitutes an admission of any violation or breach of the terms of this agreement, or is cognizable or justiciable according to any applicable provisions of the law of the Commonwealth.

C. Grounds of Appeal

The University and the Union shall have the right to appeal any final decision of the arbitrator pursuant to the provisions of Chapter 150E, sec. 8, and Chapter 150C, secs. 10, 11 and 12 and the General Laws.

Section 7. Collateral Consequences of a Grievance

The fact that a grievance is alleged by a member of the bargaining unit, regardless of the ultimate disposition thereof, shall not be recorded in the Official Personnel File of such member, nor shall such fact be used in the making of any recommendation for the job placement of such member; nor shall such member or any other member or members who participate in any way in the grievance procedure be subjected to any action by the University, whether disciplinary or otherwise, for having processed such grievance; provided, however, that nothing herein contained shall derogate or be deemed to derogate from the right of the University to take any action that might be authorized or required to be taken to give effect to the resolution of any grievance.

Section 8.

A grievance may be filed at the level at which the alleged breach occurred.

Article 29

Article 30 **Evaluation of Employees**

Section 1.

Performance evaluations are designed to serve the needs of both the employee and University. An organized program for employee performance evaluation will:

- A. Improve employee satisfaction and potentially reduce employee absenteeism, turnover, and grievances;
- B. Serve as an important motivational tool and improve the quality of job performance;

- C. Enhance the ability to achieve Affirmative Action goals through improved supervisor-employee communications;
- D. Base personnel actions on objective, accurate and fair performance appraisals;
- E. Monitor the performance of probationary employees on a timely basis.

It involves observation, guidance, training and open communication between the employee and supervisor. For it to be of significant benefit to both the individual employee and the University, it should be a continuous process.

Performance evaluation should be seen primarily as a developmental tool. Its purpose is to assess an employee's job related strengths and weaknesses and develop his/her competence to the fullest. In a correctly executed evaluation, the supervisor and the employee work together to find the means by which the employee's ability can be strengthened and directed.

Section 2.

To the extent practicable, performance evaluation of an employee shall be completed by mid-September, with the exception of a probationary employee who shall be evaluated in accordance with Article 19.

Section 3.

Each employee shall receive a written copy of his/her evaluation and shall be entitled to discuss the evaluation with his/her immediate supervisor and, if requested, with the supervisor of the next higher level who has been so assigned.

Upon receipt of a "Does Not Meet Standards" evaluation, the employee shall receive a remedial plan on how to reach a "Meets Standards" rating, and shall be re-evaluated after ninety (90) days.

Section 4.

The Human Resources Office shall receive all evaluations from the Department Head and shall retain such evaluations, together with any recommendations made on the basis of any such evaluations and evidence or materials submitted in support of such evaluations, in the respective personnel file of each employee.

Section 5.

Any evaluation so retained in respect to any employee may be reviewed by such employee in the office of Human Resources at any reasonable time, upon reasonable prior notice. Such employee shall have the right to file a written statement in response to any such evaluation.

Section 6.

The affected employee shall have the opportunity to see the complete performance evaluation form and shall initial it, whether in agreement with its contents or not.

Section 7.

An employee may only grieve the evaluation procedures of this Article and only to the level of Step 4 of Article 28.

Article 31 No Strikes/No Lockout

The University shall endeavor to maintain adequate lighting in all parking areas.

Article 34
Employee Liability

The University agrees to continue to provide liability insurance, as is currently in effect, at no cost to the employee.

Article 35

Section 1.

The parties acknowledge that the University will be implementing new administrative computing and payroll systems. The Union agrees that there may be changes to current business practices, procedures and functions as a result. To ensure that the changes required by these systems (e.g. the change from a weekly to a biweekly payroll system), are introduced and implemented in the most effective and humane manner, the University and the Union will establish a special labor-management committee made up of an equal number of union and management representatives which shall be the sole forum to discuss the impact to the bargaining unit arising from the implementation of the systems. Nothing in this article is meant to waive any other provisions in this Agreement.

Section 2.

The University and the Union agree that all employees shall have their net salary checks electronically forwarded to an account or accounts selected by each employee.

In the extraordinary event that the Union alleges that an employee cannot comply with the electronic transfer of salary checks due to severe hardship, such as inability to access a bank or financial institution during off hours, or there is no ATM available within a reasonable geographic distance from an employee's home, the Union shall request that the Human Resources Division/Department grant a direct Deposit Exemption. The Human Resources Division/Department will review the request and respond within thirty (30) days of receiving such request. Denials of Direct Deposit Exemption Requests shall not be subject to the contractual Grievance and Arbitration Procedure.

Article 36 **Savings Clause**

In the event that any article, section or portion of this Agreement is found to be invalid or shall have the effect of loss to the University of funds made available through Federal law, rule or regulation, then such specific article, section or portion shall be amended to the extent necessary to conform with such law, rule or regulation, but the remainder of this Agreement shall continue in full force and effect. Article 37 **Duration**

This Agreement shall be for the one (1) year period from **July 1, 2023** to **June 30, 2024** and terms contained herein shall become effective on the date of its execution by the parties unless otherwise specified. This Agreement will remain in full force and effect until a new Agreement is executed or an impasse in negotiations is reached.

Nothing herein shall derogate from the legal rights and duties of the respective parties relative to matters that impact mandatory subjects of collective bargaining.

Alcohol and Controlled Substances Testing Policy for Public Safety Personnel

I. PURPOSE OF ALCOHOL AND DRUG TESTING/SCREENING PROGRAM

The University employs five principles as a means to achieve the goals of providing public safety, a workplace free from the effects of alcohol and drug use and to ensure the fair treatment of employees.

The first principle is a commitment by the University and the Union to fairness in testing, free from undocumented and unsubstantiated instances of ordering an employee to be tested and free from harassment by any supervisor. Where there is reasonable suspicion that a supervisor has harassed an employee(s) through the ordering of a test(s) said supervisor shall be subject to investigation and possible disciplinary action.

The second principle emphasizes deterrence from the effects of drug and alcohol use. As such, the University will make education and training available for all employees regarding the effects of substance abuse on individuals and on the workplace. Supervisors and managers will receive specialized training in detection, early intervention and enforcement.

The third principle is detection. To this end, the University will employ alcohol and drug testing in post-incident situations and testing based on reasonable suspicion. All testing will be done by a laboratory certified under the Federal Department of Health and Human Services (DHHS) Mandatory Guidelines for federal workplace alcohol and drug testing programs.

The fourth principle is treatment and rehabilitation. The University supports rehabilitation for those employees whose job is in jeopardy yet who sincerely desire rehabilitation services. All such employees will be required to receive help for alcohol and drug problems through participation in a recognized, certified Rehabilitation Program.

The fifth principle is enforcement, which is essential if deterrence, rehabilitation and detection are to be successful. All employees must be fit for duty, as defined within this program. As required by the Federal Drug-Free Workplace Act of 1988, this Alcohol and Drug Testing/Screening program proactively notifies all employees that the unlawful manufacture, distribution, dispensing, possession and/or use of a controlled substance is strictly prohibited at all times and on institution property and in the conduct of university business.
