Preamble

This agreement entered into by the Board of Trustees of the University of Massachusetts, hereinafter referred to as the University, and Union Local 25, International Brotherhood of Teamsters, hereinafter referred to as the Union, has as its purpose the promotion of harmonious relations between the University and the Union, the establishment of an equitable and peaceful procedure for the resolution of differences, and the establishment of wages, tours of duty, efficient and effective standards of productivity and performance, hours and other terms and conditions of employment, thereby contributing to an educational institution of highest quality--a public policy mandate which binds the Union and the University.

Article 1: Recognition

The University recognizes the Union as the sole and exclusive bargaining agent for the purposes of establishing wages, hours, standards of productivity and performance and other terms and conditions of employment for all full-time and regular part-time Lieutenants of the University of Massachusetts Boston Police excluding all managerial, confidential and casual employees as provided in WMAS-13-3265 issued by the Massachusetts Department of Labor Relations December 9, 2013.

The University will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining, or make any agreement with any such group or individual for the purposes of undermining the Union or changing any condition in this Agreement.

Article 2: Scope of Agreement

The parties agree that during the negotiations of the terms of this Agreement, they were afforded the unrestricted right to negotiate all matters covered by Chapter 150E; that they shall be governed exclusively by and limited to the terms and provisions of this Agreement and that neither shall have any other obligation, or be obligated, to negotiate with respect to any matter pertaining to wages, hours, or other terms and conditions of employment, whether or not specifically included in this Agreement or discussed during the negotiations preceding the execution of this Agreement.

No addition to, alteration, modification, practice, or waiver of any term, provision, covenant or condition or restriction in this Agreement shall be valid, binding or of any force or effect unless made in writing and executed by the University and the Union.

Any prior agreements covering employees covered by this Agreement shall be terminated and of no effect, upon the effective date of this Agreement and shall be superseded by this Agreement.

Article 3: Management Rights

The Union and the University agree that the provisions of this Agreement shall be expressly limited to conditions of employment covered by this Agreement, and no provision shall be construed to restrain the University from the management of its operations, including but not limited to:

1. the determination of the standards of service to be provided and standards of productivity and performance of its employees;

2. the right to determine the size and composition of the work force;
3. to determine educational and work standards;
4. to decide the location and number of its offices, administrative buildings, dormitories, facilities, and physical plant;
5. to determine the quantity and type of equipment to be used in its operation, the speed of such equipment, the manning requirements of such equipment or any job;
6. to determine the content of job classification;
7. to promulgate rules and regulations; to select supervisory and managerial employees; to discipline and discharge employees;
8. to contract out work together with the control and state of products which may be used by employees;
9. to determine the time for work, staffing pattern and work area;
10. to determine the method and place of performing work including the right to determine that the University's work force shall not perform certain work, that employees may be transferred from one administrative area to another;
11. to determine the schedule of work and work breaks;
12. to determine the method of performing work including the introduction of improved methods and facilities;
13. to determine whether work shall be performed by bargaining unit employees or others; to fix standards of quality and quantity for work to be done;
14. to determine whether any part or the whole of its operations shall continue to operate; to establish, to change, or to abolish any service;

The University agrees that this Agreement and the provisions of this Article herein above are subject to the express terms and conditions of this Agreement and statutory and other applicable law. The parties agree that nothing in this Article is intended to modify or waive any rights or obligations arising under applicable state and federal laws, including the obligation to bargain in good faith with respect to any and all matters that are proper subjects of bargaining under M.G.L. c. 150E, as amended.

Article 4: Union Security - Dues Check-off

Section 1.

The Union shall have the exclusive right to the check-off and transmittal of Union dues on behalf of each employee.

Section 2.

The University agrees to deduct from the pay of all employees covered by this agreement the dues, initiation fees and/or uniform assessments of the Local Union having jurisdiction over such employees and agrees to remit to said Local Union all such deductions taken from the 1st payroll period of

each month and remit to the Local Union by the 2nd payroll period of each month. Where laws require written authorization by the employee, the same is to be furnished in the form required. No deduction shall be made which is prohibited by applicable law.

Section 3.

An employee may consent in writing to the authorization of the deduction of an agency service fee from his/her wages and to the designation of the Union as the recipient thereof. Such consent shall be in a form acceptable to the University and shall bear the signature of the employee. An employee may withdraw his/her agency service fee authorization by giving at least sixty (60) days' notice in writing to the Human Resources Office and the Secretary/Treasurer of the Union.

Section 4.

The University shall deduct dues or an agency service fee from the pay of employees who request such deduction in accordance with this Article and transmit such funds, in accordance with University policy, to the Treasurer of the Union together with a list of employees whose dues or agency fees are transmitted, provided that the University is satisfied by such evidence that it may require that the Treasurer of the Union has given to the Union a bond in a form approved by the University for the faithful performance of his/her duties, in a sum and with such agency or securities as are satisfactory to the University.

Section 5.

The University agrees to deduct from the paycheck of all employees covered by this Agreement voluntary contributions to DRIVE. DRIVE shall notify the University of the amount designated by each contributing employee that is to be deducted from his/her paycheck on a weekly basis for all weeks worked. The phrase "weeks worked" excludes any week other than a week in which the employee earned a wage. The University shall transmit to DRIVE Chapter 25, on a monthly basis, in one check, the total amount deducted along with the name of each employee on whose behalf a deduction is made, the employee's Social Security number and the amount deducted from the employee's paycheck.

Fee
Article 5: Agency Service Fee

Section 1.

Each employee who elects not to join or maintain membership in the Union shall be required to pay as a condition of employment, beginning thirty (30) days following the commencement of his/her employment, an agency service fee to the Union in an amount that is equal to the amount required to become and remain a member in good standing of the exclusive bargaining agent.

Section 2.

This article shall not become operative until this Agreement has been formally executed, pursuant to a vote of a majority of all employees in that bargaining unit present and voting.

Section 3.

The Union shall reimburse the University for any expenses incurred as a result of being ordered to reinstate an employee terminated at the request of the Union for not paying the agency service fee. The

Union will intervene in and defend any administrative or court litigation concerning the propriety of such termination for failure to pay the agency service fee. In such litigation, the University shall have no obligation to defend the termination.

Section 4.

Disputes between the parties concerning this Article shall be resolved in accordance with the grievance procedure contained in this Agreement. In the event such a dispute is submitted to arbitration, the arbitrator shall have no power or authority to order the University to pay such agency service fee on behalf of any employee.

If the arbitrator decides that an employee has failed to pay or authorize the payment of the agency service fee in accordance with this Article, the only remedy shall be the termination of the employment of such employee if the employee continues to refuse to pay or authorize payment of the required agency service fee after having sufficient time to do so.

Section 5.

It is specifically agreed that the University assumes no obligation, financial or otherwise, arising out of the provisions of this article and the preceding Dues/Agency Service Fee Check-off article, and the Union hereby agrees it will indemnify and hold the University harmless from any claims, actions or proceedings by an employee arising from the termination of an employee hereunder or from deductions made by the University.

The parties recognize that the terms and conditions of this article have been impacted by the Supreme Court of the United States decision; Janus v. American Federation of State, County, and Municipal Employees, 138 S. CT. 2448 (2018). The parties further recognize that, pursuant to that decision, the parties may not require as a condition of employment membership in the union or payment of an agency service fee to the exclusive bargaining representative. In the event the “Janus decision” is reversed and/or reviewed by the court the parties may engage in reopen negotiations exclusively on the topic of Agency Service Fee and any impacts from a subsequent decision by the Supreme Court of the United States.

Article 6: Union Business

Section 1. Grievance Processing

Except as hereinafter provided, Union business shall be conducted by Union officers on off-duty hours.

One Union Officer shall be permitted to have time off without loss of pay for the investigation and processing of grievances and arbitrations provided such time off does not, as determined by the Chief or designee, adversely affect the safety and well-being of the University or result in the need to replace the designated Union Officer with another employee on overtime. Grievants shall be permitted to have time off without loss of pay for attending grievance steps and/or hearings/arbitrations as provided in the contractual grievance procedure. Grievance steps and hearings shall normally be scheduled outside a unit member's normal work schedule unless otherwise agreed by the parties. Requests for such time off shall be made in advance and shall not be unreasonably denied. No Union Officer shall at any time use his/her

Union position as an excuse to refuse to carry out his/her own duties or to interfere with the work of any other employee.

The Union will furnish the University with a list of Union officers.

Section 2. Paid Union Leave of Absence

A. Leave of absence without loss of wages, benefits or other privileges may be granted to a single elected delegate of the Union to attend the International Brotherhood of Teamsters annual convention. Such leave will require the prior approval of the Chief of Police/Director of Public Safety or designee (hereinafter "Chief" or "Chief of Police"). Persons designated as alternate delegates shall not be granted paid leaves of absence to attend such conventions.

B. Leaves of absence without loss of wages, benefits or other privileges may be granted to Union negotiating committee members for attendance at negotiating sessions with the University and related Union caucuses that take place during scheduled bargaining sessions or on the same day prior to or subsequent to the above referenced such bargaining sessions. Such leave will require the prior approval of the Chief.

C. Leaves of absence without loss of wages, benefits, or other privileges may be granted for attendance at joint labor-management meetings. Such leave will require the prior approval of the Chief.

Section 3. Attendance at Hearings

A Representative of the Union may be granted leaves of absence without loss of wages, benefits or other privileges to attend hearings before the Legislature and State agencies concerning matters of importance to the Union and the University. Such leave will require prior approval of the Chief but will not be unreasonably denied.

Witnesses called by the Union to testify at a Step 4 hearing or in an arbitration proceeding (Step 5) may be granted time off without loss of benefits or other privileges (not including wages). Such leave will require prior approval of the Chief but will not be unreasonably denied.

Section 4. Union Use of Premises

The Union shall be permitted to use the same or similar facilities of the University for the transaction of Union business during working hours which have been used in the past for such purposes, and to have reasonable use of the University's facilities during off duty hours for Union meetings subject to appropriate compensation if required by law.

This section shall not be interpreted to grant an employee the right to carry on Union business during his/her own working hours, not granted elsewhere in the contracts.

Section 5. Bulletin Boards

The Union may post notices on the bulletin boards located in the male and female locker rooms. All notices shall be on Union stationery, signed by an official of the Union and shall only be used to notify employees of matters pertaining to Union affairs. The notices may remain posted for a reasonable period of time, not to exceed 45 days. No material shall be posted which is inflammatory, profane or

obscene, or defamatory of the Commonwealth or its representatives, or which constitutes election campaign material for or against any person, organization or faction thereof.

Section 6. Orientation

Where the University provides an orientation program for new employees, one-half hour shall be allotted to the Union and to the new employees during which time a Union representative may discuss the Union with the employees.

Article 7: Non-Discrimination and Affirmative Action

Section 1.

The parties agree not to discriminate in any way against employees covered by this Agreement on account of race, religion, creed, color, national origin, sex, sexual orientation, age, or disability.

Section 2.

The parties agree that when the effects of employment practices, regardless of their intent, discriminate against any group of people on the basis of race, religion, age, sex, sexual orientation, national origin, or disability, specific positive measures must be taken to redress the effects of past discrimination, to eliminate present and future discrimination, and to ensure equal opportunity in the areas of hiring, upgrading, demotion or transfer, recruitment, layoff or termination, rate of compensation, and in-service or apprenticeship training programs. Therefore, the parties acknowledge the need for positive affirmative action.

The parties acknowledge that this article is intended to be in compliance with any federal and state obligations the parties may have under any federal and state regulatory authority such as the Office of Federal Contract Compliance Program directives.

Section 3.

Any matters concerning this Article shall be subject to the Campus Affirmative Action Grievance Procedure and not the grievance and arbitration procedures provided in Article 28 of this Agreement. These procedures are not a waiver of statutory rights.

Article 8: Workweek and Work Schedules

Section 1. Scheduled Hours, Workweek, Workday

- A. The regular hours of work for full-time employees shall be an average of thirty-eight and one half (38½) hours per week, including roll call time, over a six calendar week period. Unit members are currently assigned to a four (4) day on and two (2) day off rotation work week. The University shall have the right to change the four (4) – two (2) rotation system but will provide the unit members a thirty (30) day notice period.
- B. The work schedule, both starting times and quitting times, of employees shall be posted on bulletin board at each work location or otherwise made available to employees and Union stewards.

- C. When the University desires to change the regular work schedule of an employee he shall give the affected employee at least twenty (20) calendar days written notice of such contemplated change, except in cases of emergency involving the health and safety of those persons whose care and/or custody have been entrusted to the University.

Section 2. Overtime

- A. An employee shall be compensated at the rate of time and one-half his/her regular rate of pay for authorized overtime work performed in excess of forty (40) hours per week.
- B. An employee whose regular work is less than forty (40) hours shall be compensated at his/her regular rate for authorized overtime work performed, up to forty hours per week, that is in excess of his/her regular workweek.
- C. An employee shall be compensated at the rate of time and one-half his/her regular hourly rate of pay for authorized overtime work performed in excess of eight (8) hours in his/her regular workday and except that an employee whose regular workday is more than eight hours shall be compensated at the rate of time and one-half his/her regular hourly rate of pay for authorized work performed in excess of his/her regular workday. The University shall not, for the purposes of avoiding the payment of overtime, curtail the scheduled hours of an employee during the remainder of a work week in which the employee has previously worked hours beyond his/her normally scheduled workday except as provided otherwise in this Agreement. This paragraph shall not apply to employees who, because of the nature of the duties in their positions, work an irregular workday, nor shall it apply to employees who have been permitted by the University to participate in an approved voluntary flexible hours program that has been duly authorized by the Chief of Police. There shall be no election of compensatory time in lieu of overtime compensation.
- D. All time for which an employee is on full pay status, such as sick leave, vacation, holidays, paid education leave, shall be considered time worked for the purpose of calculating overtime compensation.
- E. There shall be no duplication or pyramiding of the premium pay for overtime work provided for in this Agreement
- F. The University shall make every effort to make payment in the pay advice following the payroll period of the overtime worked.
- G. In so far as practicable, overtime shall be distributed equitably and impartially among unit members in each work location who ordinarily perform such related work in the normal course of their work week. The Chief and Union shall work out procedures for the distribution of overtime. Overtime assignments for duties in any other unit shall be authorized at the sole discretion of the Chief.
- H. The provisions of this Section shall not apply to employees on full travel status.
- I. In instances where no employees can be found to perform overtime work, the University may assign such work on a mandatory basis. Such assignments shall be distributed as equitably as possible amongst all employees. The Chief shall have the sole discretion to assign mandatory overtime outside this unit.

- J. The University shall keep records of the overtime work and make same available for inspection by the Union at reasonable times.
- K. In the event an employee utilizes sick leave from his/her regular scheduled work day, that employee shall be deemed ineligible to work any available overtime and/or detail assignment(s) for the next two (2) consecutive shifts (16 hours-evening/midnight/day shifts). For example, if an employee calls in sick from the day shift, he/she would be ineligible to work an overtime and/or detail assignment until the day shift the following day.

Section 3. Call Back Pay

Effective on the date of signing of this Agreement, an employee who has left his/her place of employment after completing work on his/her regular shift and is called back to work prior to the commencement of his/her next scheduled shift shall receive a minimum of four hours pay at his/her regular hourly overtime rate. This Section shall not apply to an employee who is called in to start his/her shift early and who continues to work that shift.

Section 4. Court Time

Any member of the bargaining unit who, while off duty, is required by the University to appear as a witness for the Commonwealth in a criminal case, in district, juvenile or superior courts, License and Police Commissions, and show cause hearings and civil cases arising out of such criminal cases shall be paid at a rate of time and one-half. The unit member will be paid a minimum of four (4) hours at the time and one-half rate. If an employee is summonsed to appear as a witness for the Commonwealth in a criminal case, in district, juvenile or superior courts, before the License or Police Commissions, or at show cause hearings or civil cases arising out of such criminal cases, the University shall timely hand deliver the summons to the officer or shall place a copy of the summons in the officer's department mailbox.

Section 5. Shift Differential

- A. Unit members rendering service on a second shift, as hereinafter defined, shall receive a shift differential of seventy five cents (\$.75) per hour for each full hour worked. Unit members rendering service on a third shift, as hereinafter defined, shall receive a shift differential of one dollar and twenty five cents (\$1.25) per hour for each full hour worked. Unit members rendering service on weekend shifts, as hereinafter defined, shall receive a shift differential of one dollar (\$1.00) for each full hour worked.
- B. For the purpose of this section only, a second shift shall be one that commences at 1:00 p.m. or after and ends no later than 2:00 a.m.; a third shift shall be one that commences at 9:00 p.m. or after and ends no later than 9:00 a.m.; weekend shifts shall be ones that commence at 3:30 p.m. on Friday, or after, and end not later than 7:30 a.m. on Monday.
- C. The above hourly shift differentials shall be paid in addition to regular salary for eligible employees when their entire workday is on a second, third or weekend shift. Eligible employees who are required to work a second, third or weekend shift, or any portion thereof, on an overtime basis, replacing a worker who normally works such second, third or weekend shift, will receive an hourly shift differential pursuant to Paragraph A of this section.

- D. For employees who are required to work a second, third or weekend shift as governed by Paragraph C of this Section, overtime shall be compensated at the rate of time and one-half of the regular salary rate and the shift differential for the number of hours in excess of forty (40) hours per week worked on such second, third or weekend shift.
- E. An employee who is directed and/or approved to attend training(s) on a shift in lieu of his/her regularly scheduled shift, which shift entitles him/her to be paid a shift differential, shall continue to receive the shift differential for the duration of the training.

Section 6. Paid Details

- A. Paid details are work assignments, beyond the regularly scheduled workweek of an employee, for which the primary or originating source of funding is from outside the University of Massachusetts.
- B. Paid details shall be distributed fairly and equitably. Details shall be voluntary and shall be posted and averaged on a continuing basis.

Distribution of paid details shall first be offered to officers and sergeants in another Unit. If no patrol officers or sergeants are available to work, the University shall provide detail assignment(s) to members of this Unit. When there are no unit members in both units available to work a detail the University retains the right to assign other qualified person(s) who are capable of carrying out the required duties of the detail.

- C. For details as defined in this Agreement unit members shall be paid a flat hourly rate not less than \$65.00 upon ratification of this Agreement by both Parties. Unit members shall receive a minimum of four hours pay for each detail. This article shall be effective moving forward from the date of the ratification of this Agreement by both Parties.

Effective July 1, 2019 the rate shall increase to a flat hourly rate not less than \$78.00. Unit members shall receive a minimum of four hours pay for each detail.

- D. Effective the date of the execution of this Agreement the Department of Public Safety shall require a notice of cancellation of a detail as defined in this Agreement from the requestor to the Department of at least eight (8) hours prior to the time the detail was scheduled to begin and the University shall make all reasonable efforts to provide Lieutenants assigned to a detail at least four (4) hours' notice in the event of a cancellation. If the Department fails to notify the Lieutenant working the detail within four (4) hours, any Lieutenant assigned to that detail shall be entitled to four (4) hours pay at the detail rate to be paid by requestor. The provisions of this clause do not apply to cancellations for inclement weather or other instances where the event is cancelled by the University.

Section 7. Roll Call Pay

Notwithstanding the provisions for premium pay for overtime work contained in Section 2 of this Article, unit members whose regular work day does not include an unpaid meal period may be required to attend daily roll call which shall commence fifteen (15) minutes before the start of their regular shift. Overtime compensation shall be paid for roll call.

An employee who is late for roll call or is absent for any part of his/her scheduled workday shall not receive roll call pay for that workday.

Section 8. Inclement and Hazardous Conditions

For the purposes of this Article, an inclement weather or hazardous condition shall exist whenever the campus announces a closing or delayed opening in accordance with the "Snow and Emergency Weather Policies and Procedures" as may be amended from time to time until such time when the University announces the University is reopening. When the University closes during or before a shift, employees shall be paid for their regular shift as if they had worked unless an employee is on planned leave. Unit members who work during a period of closing shall be paid at a rate of time and one-half their regular pay during all such work during a period of closing.

This section does not apply to any periods of remote operations.

Article 9: Leave

Section 1. Sick Leave

- (a) Unit members shall accumulate sick leave with pay credits at the rate of one work day for each full payroll month of employment for a total of 12 days per year. An employee on any leave with pay or industrial accident leave shall accumulate sick leave credits.
- (b) A regular part-time employee shall accumulate sick leave credits in the same proportion that his/her part-time service bears to full-time service.
- (c) Sick leave shall be granted to an employee only under the following conditions:
 1. an employee cannot perform his/her duties because he or she is incapacitated by personal illness or injury;
 2. the spouse, child, or parent of either an employee or his/her spouse, or a relative living in the immediate household of an employee, is seriously ill; the employee may utilize sick leave credits up to a maximum of ten (10) days per calendar year; or
 3. through exposure to contagious disease, the presence of the employee at his/her work location would jeopardize the health of others.
- (d) A full-time employee shall not accrue sick leave credits for any month in which he/she was on leave without pay or absent without pay for a total of more than one (1) day.
- (e) Where the University has reason to believe that sick leave is being abused, the University may require the submission of satisfactory medical evidence. Failure to produce such evidence within seven (7) days of its request may result, at the discretion of the University, in denial of sick leave for the period of absence.
- (f) The University may require that an employee, wishing to return to work after an absence of four (4) or more work days in a pay period because of illness or injury, submit satisfactory medical evidence from a qualified health care provider. When an employee seeks to return after an absence of more than ten (10) days the University can require the unit member be examined by a physician designated by the University. If the University

requires the employee to be examined by their designated physician, the University shall assume the cost of such examination. The results of such examination(s) must attest to the fitness of such employee to return to his regularly assigned duties.

- (g) Sick leave must be charged against unused sick leave credits in units of one-half (1/2) hour or full hours, but in no event may the sick leave credits used be less than the actual time off.
- (h) Any employee having no sick leave credits, who is absent due to illness, may be placed, unless otherwise notified by the employee, on personal leave, or if no personal leave credits, then on vacation leave, and if no vacation leave credits, then on leave without pay. Such leave shall be charged on the same basis as provided in Subsection (g).
- (i) An employee who is reinstated or re-employed after an absence of less than three (3) years shall be credited with his/her sick leave credits at the termination of his/her prior employment. An employee who is reinstated or re-employed after a period of three (3) years or more shall receive prior sick leave credits, if approved by the University, where such absence was caused by:
 - 1. Illness of said employee;
 - 2. Dismissal through no fault or delinquency attributable solely to said employee; or
 - 3. Injury while in the employment of the University in the line of duty, and for which said employee would be entitled to receive Workers' Compensation benefits.
- (j) A regular part-time employee shall not accrue sick leave credits for any month in which he/she was on leave without pay or absent without pay in the same proportion that his/her service bears to one (1) day of service of full-time employee.
- (k) Notification of absences under this Article must be given to the designated representative of the University as early as possible, but at least one and a half (1^{1/2}) hours prior to the beginning of the scheduled tour of duty. If such notification is not made, such absence may, at the discretion of the University, be applied to absence without pay. In extraordinary circumstances beyond the control of the employee, the above notification period may be waived.
- (l) No employee shall be entitled to leave under the provisions of this Article in excess of the accumulated sick leave credits due such employees.
- (m) Employees whose service with the University is terminated shall not be entitled to any compensation in lieu of accumulated sick leave credits. Employees who retire shall be paid twenty (20) percent of the value of their unused accrued sick leave at the time of their retirement. It is understood that any such payment will not change the employee's pension benefit. For unit members hired on or after July 1, 2014 all such unit members shall accrue a maximum of 120 days of sick leave
- (n) Sick leave credits earned by an employee following a return to duty after a leave without pay or absence without pay shall not be applied to such period of time.
- (o) An employee who, while in the performance of his/her duty, receives bodily injuries resulting from acts of violence of patients or prisoners in his/her custody or who receives

such injuries in the pursuit, apprehension or detention of suspects as reflected in official police reports and affirmed by the Director of Public Safety, and as a result of such injury would be entitled to benefits under Chapter 152 of the General Laws, shall, if entitled under Chapter 30, Section 58 of the General Laws, be paid the difference between the weekly cash benefits to which he/she would be entitled under said Chapter 152 and his/her regular salary without such absence being charged against available sick leave credits, even if such absence may be for less than six (6) calendar days.

- (p) An employee who sustains a compensable injury, as determined by the Human Resources Division, Workers' Compensation Section of the Commonwealth, shall receive, from the University, the difference between his/her regular base pay and the amount received through the Workers' Compensation Section. Absence caused by such compensable injury shall not be charged against available sick leave credits, even if such absence is for less than six (6) calendar days.

Should such injury be deemed not compensable by the Workers' Compensation Section, the employee shall reimburse the University for all compensation received from the first day, either by charges to accrued time or by payroll deduction as deemed appropriate by the University, or by a combination of both.

- (q) An employee may exercise the option, at the end of the fiscal year, to receive in cash a dollar amount equal to 50% of their annual unused sick leave credits up to a maximum of six (6) days based on the table below:

<u>Annual Sick Leave Used</u>	<u>Cash In Allowed</u>
0	6
1	5
2	4
3	3

The decision to cash in sick days must be made by the employee by May 1 of the fiscal year. Sick days cashed in shall be deducted from the employee's sick leave balance.

- (r) For this section "*Sick Leave Abuse*" shall mean— any misrepresentation of the actual reasons for charging an absence to sick leave, and may include chronic, persistent, or patterned use of sick leave.
- (a) The following guidelines will be used, as a minimum, to determine sick leave abuse:
1. Three (3) sick days in thirty (30) days: 1 month
 2. Five (5) sick days in ninety (90) days: 3 months

When a supervisor discovers and/or is alerted to one of the conditions listed above, the supervisor will notify the Chief of Police and/or designee. The employee will be placed on the "*The Excessive Use of Sick Time List*" and the progressive disciplinary process shall begin. However, in some circumstances, the submission of appropriate medical documentation regarding an illness may exempt an employee from inclusion into the disciplinary process.

Once an employee has been counseled or disciplined for one or more of the conditions outlined above, he/she may be removed from the *Excessive Use of Sick Time List*, twelve (12) months after having received any of the progressive discipline steps outlined below. For example, if an employee is counseled or disciplined in June 2018, he/she will be removed from the list in June 2019 for that occurrence. Each occurrence will have a twelve (12) month duration from the time disciplined occurred.

The following steps outline the Department's progressive discipline process for abusive absenteeism. However, in some circumstances, acts of commission or omission may require imposition of sever sanctions in the first instance

STEP 1: Counseling

STEP 2: Written Reprimand

STEP 3: Final Written Reprimand

STEP 4: One (1) day suspension without pay

STEP 5: Three (3) day suspension without pay

- B. At the expiration of the maternity leave, the employee will be restored to her previous position or similar position with the same status, pay, and length of service credit as of the date of her leave. If during the period of the leave, employees in the same or similar positions in the department have been laid off through no fault of their own, the employee will be extended the same rights or benefits, if any, extended to employees of equal length of service in the same or similar positions in the department.
- C. Notwithstanding any other provision of this agreement to the contrary, the maternity leave granted under this Article shall not affect the employee's right to receive any contractual benefits for which she was eligible at the time of her leave.

If, upon request of an employee, the University grants a leave beyond eight (8) weeks, such leave shall be considered a regular leave of absence without pay. The period of such unpaid leave shall not be included in any computation of contractual benefits, rights, or advantages.

Section 8. Parental Leave

Upon written application to the University, including a statement of any reasons, any employee who has completed any applicable probationary period and who has been employed at least three (3) consecutive months and who has given at least two (2) weeks prior notice of his/her anticipated date of departure and who has given notice of his/her intention to return, may be granted parental or adoptive leave for a period not exceeding two (2) weeks. Section 10. Family and Medical Leave Act (FMLA)

The parties agree that they are governed by the provisions of the Family Medical Leave Act and, where those provisions are more generous than the contract, the Family Medical Leave Act will prevail.

Section 11. SWAPS

Shift Trading shall be defined as— A voluntary exchange of shifts with the same duration by equally qualified employees within the employee's classification.

1. The Parties agree shift trading is not to be used to circumvent/manipulate an employee's normal work schedule. However, under certain circumstances and upon approval, shift trading or the swapping of shifts, may be facilitated between two equivalent employees of the same classification without those hours being subject to overtime and/or differential compensation.

The purpose of shift trading is to: 1) Enhance the quality of life within the work environment that will enable an employee to meet both their work responsibilities and personal needs, and 2) Ensure that the department is operating effectively and efficiently with optimal and consistent staffing levels that will support the Department's goals and maintains the continuity of safety for the UMass Boston campus community.

2. Upon approval, shift trades shall be limited to five (5) trades per calendar month, not to exceed a maximum of **thirty (30)** trades per calendar year.

3. All shift trade requests must be approved by the Chief of Police and/or designee.

4. All requests for shift trading must be submitted by the scheduled employee and by the substituting employee as soon as it is agreed upon. In the event the shift trade request is made less than forty-eight (48) hours prior to the shift swap, the Chief of Police and/or designee shall be immediately notified by email, phone, or in person.

5. All requests for shift trading must be submitted through the Department's personnel scheduling software (In-Time Solutions). All applicable areas within In-Time must be completed. If any applicable areas are incomplete or missing, the request shall be denied.

6. The Chief of Police and/or designee shall approve or deny the request as soon as practical but no later than twenty-four (24) hours after the request has been made and promptly inform the employees of a decision.

7. A shift trade due to an unforeseen emergency may be approved by the Chief of Police and/or designee less than twenty-four (24) hours prior to the start time of the substitution approval and prior to that start time if the other provisions of this authorization are satisfied. For the purpose of this authorization, an emergency is an unexpected incapacitating illness, injury or hospitalization of the employee or their immediate family member. Documented proof of such occurrence may be required.

8. Once a shift trade is approved it is considered a voluntary schedule change and both employees will be accountable to work as scheduled including covering any overtime that would normally be the

responsibility of the person who traded the shift. If either employee is unable to complete their scheduled shift, they shall follow all the call-in and reporting procedures per appropriate policies and procedures.

9. Shift trades shall not result in additional pay or overtime liability to the University, including court time. For purposes of overtime, time worked as part of a shift trade is not counted as hours worked in a workweek.

10. The repayment (Swap-On) of shift trades shall be the sole responsibility of the employee's involved.

11. In the event a substitute employee becomes sick or injured while on a substitute shift, the substitute employee will be shown as on-duty at the time of the sickness or injury and will be paid as a scheduled employee for those hours from the time of occurrence. The scheduled employee will be contacted and given the option of reporting to duty, providing another substitute employee, or being charged annual leave or sick leave, if applicable.

12. Shift trades will not be approved when either employee is scheduled for in-service training, mandatory overtime, or any other scheduled division activity for which an employee's presence is required.

13. Shift trades will not be approved if any member would ultimately work more than 16 consecutive hours in a 24-hour period.

14. Partial shift trading or shift substitution for an employee reporting late for duty shall not be allowed unless authorized by Chief of Police and/or designee

15. Employees are prohibited from paying another employee to work any portion of their shift.

16. No employee shall be arbitrarily denied a shift trade.

Article 10: Sick Leave Bank

Upon the date of execution of this Agreement, a Sick Leave Bank shall be established at the University if 50% of the unit members subscribe to such bank or a minimum of one hundred (100) days is donated by the unit members, whichever is less. Such bank shall be maintained for the benefit of all those members of the bargaining unit who shall have chosen, pursuant to the terms of this Agreement, to become a member thereof.

Within ninety (90) days after the execution date of this Agreement, an employee may become a member of the Sick Leave Bank by assigning one (1) or more full days of his/her personal sick leave accumulation to the Bank; provided, however, that on the date of making such assignment the employee shall have accumulated not fewer than six (6) days of personal sick leave. During the term of the Agreement, an employee who shall have accumulated six (6) days of personal sick leave who is not a member of the Sick Leave Bank may become so by assigning to the Bank (1) or more full days of his personal sick leave accumulation, during the annual thirty (30) day period established for such purpose.

A member of the Sick Leave Bank shall be eligible to draw upon the Bank five (5) working days after the exhaustion of the member's personal sick leave, vacation leave and personal leave accumulation in the event such member is hospitalized, suffers a catastrophic or prolonged illness or is totally incapacitated from work.

The Sick Leave Bank shall be administered by a joint labor-management committee with equal representation between unit member and the administration.

This local labor-management committee will determine at what level the Sick Bank will be replenished. However, members can donate one or more full days each time it is required that the Bank be replenished.

Any member of the Bank wishing to remain a member thereof and who has exhausted his/her personal sick leave accumulation shall assign such additional full day or days as of the date on which such member is next entitled to personal sick leave.

A member of the Sick Leave Bank shall begin drawing on the Bank only upon presentation of a medical certificate satisfactory to the Sick Leave Bank Committee. Such medical certificate shall be signed by a physician and shall set forth the nature of the employee's illness or disability and its anticipated duration.

The initial award of time shall be no greater than six weeks and shall be awarded unless a majority of the Sick Leave Bank Committee votes against such an award. A one-time extension may be granted for no greater than six weeks by a majority of the Sick Leave Bank Committee.

Any vacation leave, sick leave or personal leave which accrues to an employee during a period in which he/she is drawing on the Sick Leave Bank shall be credited automatically to the Sick Leave Bank.

An employee who is transferred to the unit covered by this Agreement, from a position at another Institution of Higher Education where he/she was an active member of the Sick Leave Bank may, within thirty (30) days of the date of such transfer, become a member of the Bank at the University by assigning one or more full days of personal sick leave to the Bank.

where rendered, and all service thereafter becomes “creditable service” provided there has not been any break of three (3) years or more in such service as referred to in Section 12 of this Article. In computing an employee’s vacation status, all “creditable service” from the first working day in the Institution up to the end of each month of service rendered shall constitute the “creditable service” which shall be used to establish vacation credit for such month. Anything in the foregoing to the contrary notwithstanding, an employee shall, on the effective date of this Agreement, be deemed to have had that “creditable service,” if any, which he/she had at the termination of the predecessor Agreement.

Section 2.

Vacation leave accrued during any month shall be credited on the last day of the month based on the employee’s full-time equivalent status on that date and shall be available for use the following day.

Section 3.

A full-time employee on leave without pay and/or absent without pay for two (2) or more cumulative days in any month shall not accrue vacation leave for such month. Such month shall not be deemed to be “creditable service.”

Section 5.

The University shall grant vacation leave within twelve (12) months after it is credited, unless in the University’s opinion it is impossible or impracticable to do so because of work schedules or emergencies.

No employee employed prior to **July 1, 2014** shall carry more than 64 days of vacation leave credit. For unit members hired on or after **July 1, 2014** no such unit member shall carry more than fifty days. In addition, vacation days accrued in excess of this maximum shall be forfeited and shall not roll over into sick leave, compensatory time, or any other form of paid leave. Unit members moving between the Patrolmen/Sergeants unit and the Lieutenant’s unit hired prior to the execution of this contract and have no break in service shall not be subject to the 50 day limitation.

In no event shall vacation leave credit be carried over for more than twenty-four (24) months after it is credited.

Section 6.

Absences on account of sickness in excess of the authorized sick leave provided in this Agreement (or for personal reasons not provided for under said sick leave provisions), may be charged, unless otherwise notified by the employee, to personal leave, if any, then to vacation leave, if any.

Section 7.

Charges to vacation leave credit may be allowed in units of one-half (1/2) hour.

Section 8.

Upon the death of an employee who is eligible for vacation under this Agreement, payment shall be made in an amount equal to the vacation leave which had been accrued prior to the employee's death but which had not been used by the employee up to the time of his/her separation from payroll, provided that no monetary or other allowance has already been made therefor.

Section 9.

An employee who is eligible for vacation under these rules, whose services are terminated for any reason, excluding dismissal for cause, shall be paid an amount equal to the vacation leave that had been accrued prior to such termination but which had not been used up to a maximum of forty-five (45) days, provided that no monetary or other allowance had already been made therefor.

Section 10.

An employee who is reinstated or reemployed shall be entitled to his/her vacation status at the termination of his/her previous service; provided, however, that no credit for previous service may be allowed where reinstatement occurs after absence of three (3) years unless approval of the University is secured for any of the following reasons:

- a. Illness of the employee;
- b. Dismissal through no fault or delinquency attributable solely to the employee;
- c. Injury while in the service of the Commonwealth in the line of his/her duties and for which the employee would be entitled to receive Worker's Compensation benefits.

Section 11.

An employee who is granted a leave of absence to enter service in the armed forces of the United States, under the provisions of Chapter 708 Acts of 1941 as amended, and who, upon honorable discharge from such service in said armed forces, returns to the service of the Institution, shall be paid an amount equal to the vacation leave which had been accrued prior to his/her entry into such service in said armed forces but which had not been used prior to military leave, provided that no monetary or other allowance has already been made therefor.

Section 12.

An employee who is reinstated after military leave, as referred to in Section 11, may be granted vacation allowance up to the equivalent of twelve (12) months' accrual as of the date on which he/she returned or returns, provided, that prior to such military leave, vacation had not been used or

compensation paid in lieu thereof for the same year. Neither the above usage, nor absence due to military leave, shall in any way affect vacation credits accrued by such an employee in any full month of employment after he/she returns from military service.

Section 13.

Vacation leave shall accrue to an employee while on a leave with pay status or on industrial accident leave.

Section 14.

Vacation leave accrued following a return to duty after leave without pay or absence without pay shall not be applied against such leave or absence.

Section 16.

Any employee wishing to exercise his/her seniority for vacation preference may apply in writing up to 90 days in advance but no later than 60 days in advance of the first day requested. The University shall respond to this request in writing, indicating whether it can reasonably schedule such vacation, at least forty-five (45) days in advance of the first day requested. Once a Lieutenant has requested and received approval for vacation pursuant to this article another Lieutenant may not bump that Lieutenant from his/her approved vacation.

Section 17.

Vacation status previously earned by an employee while in the employ of the Commonwealth or any of its cities, towns or municipalities prior to employment as a member of one of the bargaining units shall be retained by such employee, provided that no break in service of three (3) years or more occurred between termination of such prior employment and the commencement of employment by the Board. An employee, in order to retain such previously earned status, must submit to the Chief of Police/Director of Public Safety, within thirty (30) calendar days of employment, evidence attesting to such prior employment and such status.

Section 18.

Each calendar year, for the period beginning with the University's Commencement Day through the first day of classes for the Fall semester, vacation requests shall be limited to a maximum of four (4) weeks of vacation during this time period; all requests for more than the maximum allowance of four (4) weeks must be approved by the Chief of Police/Director of Public Safety. Initial scheduling of vacation time will be for a maximum of four (4) weeks; selections shall proceed according to seniority for each shift subject to Article 11(16); after all employees on each shift have had the opportunity to request vacation time off, there shall be a

As all bargaining unit members are essential personnel, two days of compensatory time (sixteen hours straight time) will be given in lieu of these days off.

Section 2.

All holidays shall be observed on the Commonwealth's legal holiday unless an alternative day is designated by the University.

Section 3.

Each employee shall receive, for each said holiday, an additional day's pay therefore. An employee may elect to receive compensatory time in lieu of holiday pay.

If the University agrees that such an inequity exists, the University and the Union agree to jointly petition the General Court for such class reallocation. If, however, the parties are unable to reach agreement, the matter shall not be subject to the grievance procedure.

Each employee shall be given on-line access to the University of Massachusetts Department of Public Safety's Department Manual which contains rules and regulations applicable to the campus police.

If a superior officer has reason to orally reprimand an employee, he/she shall do so in the manner that will not unduly embarrass the employee before the public or his/her fellow workers.

An employee who is requested to submit a special written report to the Department (Chief of Police or designee) or to the University, which he/she believes could lead to possible disciplinary action, shall have the right to consult a Union representative and/or Union counsel before submitting same; such report in any case should be submitted within 24 hours of request thereof or at such later time as may be mutually agreed upon.

An employee and/or the Union shall not have the right to grieve pursuant to this Article or Article 28, disciplinary action taken as a result of the employee engaging in a strike, work stoppage, slowdown, or withholding of service unless the Union alleges that the employee did not engage in such conduct.

Article 28: Grievance and Arbitration Procedures

Section 1. Introduction

The parties recognize that G.L.C. 150E Section 8 provides a mechanism for arbitration of disputes between the parties to a collective bargaining agreement and further provides that the parties to an agreement may establish an independent grievance procedure culminating in final and binding arbitration. It is the intent of the parties to this Agreement to use their best efforts to encourage the informal and prompt settlement of grievances which may arise between the Union or an employee or group of employees and the University. In the event the Union or an employee elects to pursue any matter covered by this Agreement in any other forum, the University shall have no obligation to process or to continue to process any grievance or arbitration proceedings pursuant to this Article or the Affirmative Action Article herein.

Section 2. Definitions

- A. **Grievance** - "Grievance" shall mean any dispute concerning the application or interpretation of the terms of the collective bargaining agreement. It shall be a written statement on a Grievance Form setting forth all the known facts material to the alleged breach on which the grievance is based, including the date when such breach is alleged to have occurred and the specific contractual provisions alleged to have been breached, and shall set forth the remedy requested.

- B. Grievant - “Grievant” shall mean an employee or group of employees, or the Union on behalf of the employee(s), as the case may be, who, pursuant to the terms of the Agreement, seeks resolution of a grievance.
- C. Day - Except as otherwise provided in this Article, “day” shall mean a calendar day, exclusive of any Saturday, Sunday, or any of the holidays enumerated in the Holiday Article of this Agreement.

Section 3. Procedures for Filing a Grievance

A. Step 1: Informal - Immediate Supervisor

The Union and/or the grievant shall institute the grievance procedure of this Article by filing with the Chief of Police, during the term of this Agreement, a written grievance. Said grievance shall be filed within fifteen (15) days from the date of the occurrence of the event or the date on which the unit member had or should have had reasonable knowledge of the event or conditions upon which the grievance is based. The Chief of Police or his/her designee shall meet with the Union and/or the grievant to resolve the dispute and shall respond in writing within fifteen (15) days from the receipt of the grievance.

B. Step 2: Chief Executive Officer of the Campus or Designee

If the Union and/or the grievant elects to proceed to this Step, then within seven (7) days of receipt of the Step 2 decision, the Union and/or the grievant shall send a notice of this intent to the Chief Executive Officer of the Campus, or designee (hereinafter in this Article “CEO”). The CEO shall meet with the Union and/or grievant for review of the grievance and shall render a written opinion, after consultation with the Director of Labor Relations, within twenty (20) days of receipt of the notice required to initiate this step.

C. Step 3: President of the University of Massachusetts

If the Union and/or the grievant elects to proceed to this Step, then within seven (7) days of receipt of the Step 3 decision, the Union and/or the grievant shall file a notice of this intent with the President of the University of Massachusetts or designee (hereinafter in this Article “President”) and a copy of such notice with the CEO. The CEO shall forward, forthwith, a complete copy of the grievance record to the President. Within twenty-five (25) days of receipt of the notice required to initiate this Step, the President shall review said grievance and issue a written decision.

D. Step 4: Arbitration

Within thirty (30) days of receipt of the Step 4 decision, arbitration of a grievance may be initiated subject to and in accordance with the following provisions:

- a. The Union shall have the exclusive right to initiate arbitration of a grievance.
- b. The Union may initiate arbitration of a grievance only if the resolution of the grievance has been sought through all four (4) prior Steps of the grievance procedure, except as is otherwise provided in this Article;

c. The Union shall initiate arbitration by giving written notice to the President and the CEO within said thirty (30) days that it intends to submit a grievance to arbitration.

d. If the parties fail to agree on the selection of a single arbitrator, the Union may request the American Arbitration Association to provide the parties a panel list of arbitrators from which a selection of a single arbitrator shall be made in accordance with the rules of the American Arbitration Association.

E. Costs of Arbitration

In all arbitration proceedings, the arbitrator's fees and expenses shall be paid fifty percent (50%) by the Union and fifty percent (50%) by the University. In all other respects the parties shall bear their own cost of arbitration.

Section 4. Decision of the Arbitrator

A. The arbitrator shall have no power to add to, subtract from, or modify any provision of this Agreement.

B. Within thirty (30) days after the conclusion of the hearing, the arbitrator shall make his determination. The decision of the arbitrator shall be final and binding on all parties to the arbitration proceeding including the grievant and shall be enforceable in any court of competent jurisdiction.

Section 5. Union Representation

Any member of the Unit may initiate and pursue a grievance through the first four (4) steps of the grievance procedure without intervention by any agent of the exclusive representative, provided that the exclusive representative shall be afforded the opportunity to be present at any conference held and that any adjustment made shall not be inconsistent with the terms of this Agreement.

Any employee may request that the Union represent him/her at the initial step of the grievance procedure. No other representative shall be permitted at Steps 1 - 5. If the employee chooses at any point during the grievance procedure not to be represented by the Union then the Union shall have no further responsibility to represent the employee in regard to that grievance. The Union shall notify the Immediate Supervisor, the Department Head, the CEO and the President, as the case may require, of the name and address of such Union representative at the time he/she is so authorized to represent the grievant.

Section 6. Waiver and Admission

A. Waiver

If the University exceeds any time limit prescribed at any step in the grievance procedure, the grievant and/or the Union may assume that the grievance is denied and may, within twenty-five (25) days of the response due date, invoke the next step of the procedure; except, however, that only the Union may request impartial arbitration under Step 5. Failure of the grievant to comply with any of the provisions of this Article shall be deemed to be a waiver of the right to seek resolution of the grievance under the terms of this Agreement. In determining whether there has been any such failure to comply with any of the provisions of this Article, time shall be deemed to be of the essence, and any failure of the grievant to comply with any of the time limits

prescribed herein shall be deemed to be such failure to comply with the provisions of this Article; provided, however, that the time limits prescribed herein may be extended in any specific instance by mutual agreement of the parties.

B. Admission

The resolution of a grievance by the immediate supervisor, the Department Head, the CEO, the President, or any of their designees, as the case may be, shall not be deemed to be an admission by the University that the grievance has, for any other purpose or proceeding, standing as a grievance or constitutes an admission of any violation or breach of the terms of this agreement, or is cognizable or justiciable according to any applicable provisions of the law of the Commonwealth.

C. Grounds of Appeal

The University and the Union shall have the right to appeal any final decision of the arbitrator pursuant to the provisions of Chapter 150E, sec. 8, and Chapter 150C, secs. 10, 11 and 12 and the General Laws.

Section 7. Collateral Consequences of a Grievance

The fact that a grievance is alleged by a member of the bargaining unit, regardless of the ultimate disposition thereof, shall not be recorded in the Official Personnel File of such member, nor shall such fact be used in the making of any recommendation for the job placement of such member; nor shall such member or any other member or members who participate in any way in the grievance procedure be subjected to any action by the University, whether disciplinary or otherwise, for having processed such grievance; provided, however, that nothing herein contained shall derogate or be deemed to derogate from the right of the University to take any action that might be authorized or required to be taken to give effect to the resolution of any grievance.

Section 8.

A grievance may be filed at the level at which the alleged breach occurred.

Article 29: Personnel Files

Section 1.

An employee shall have the right to inspect his/her personnel file during regular business hours upon request and, when necessary, by appointment, and shall have a right to copy at his/her expense. The Union, or a representative thereof, shall have access to an employee's personnel file upon prior written authorization of such employee.

Section 2.

Whenever any evaluative material is inserted into the personnel file or records of an employee, such employee shall be given a copy of such material within a reasonable time.

Section 3.

A. The employee may challenge the accuracy or propriety of such material by filing a written statement of the challenge in the personnel file.

B. Grievances relative to materials in the personnel file shall be limited to those materials which result in a negative action. Upon determination, at any step of the grievance procedure, that such material, or portion thereof, is either inaccurate or improperly placed in such employee's personnel records, such inaccurate material, or portion thereof, shall be removed from the file, together with any of the employee's statements related thereto.

Section 4.

Upon written request of the employee, negative materials (not including evaluations) shall be removed from an employee's personnel records or file after two (2) years. The two-year period shall date from the last occurrence of the same nature. There shall be only one (1) personnel file, which shall be maintained in the Office of Human Resources.

Article 30: Evaluation of Employees

Section 1.

Performance evaluations are designed to serve the needs of both the employee and University. An organized program for employee performance evaluation will:

- A. Improve employee satisfaction and potentially reduce employee absenteeism, turnover, and grievances;
- B. Serve as an important motivational tool and improve the quality of job performance;
- C. Enhance the ability to achieve Affirmative Action goals through improved supervisor-employee communications;
- D. Base personnel actions on objective, accurate and fair performance appraisals;
- E. Monitor the performance of probationary employees on a timely basis.

Performance evaluation is the review and rating of all factors relevant to an employee's effectiveness on the job. It involves observation, guidance, training and open communication between the employee and supervisor. For it to be of significant benefit to both the individual employee and the University, it should be a continuous process.

Performance evaluation should be seen primarily as a developmental tool. Its purpose is to assess an employee's job related strengths and weaknesses and develop his/her competence to the fullest. In a correctly executed evaluation, the supervisor and the employee work together to find the means by which the employee's ability can be strengthened and directed.

Section 3.

Each employee shall receive a written copy of his/her evaluation and shall be entitled to discuss the evaluation with his/her immediate supervisor and, if requested, with the supervisor of the next higher level who has been so assigned.

Upon receipt of an “Unsatisfactory” evaluation, the employee shall receive a remedial plan on how to reach a “Successful Performance” rating, and shall be re-evaluated after ninety (90) days.

Section 4.

The Human Resources Office shall receive all evaluations from the Department Head and shall retain such evaluations, together with any recommendations made on the basis of any such evaluations and evidence or materials submitted in support of such evaluations, in the respective personnel file of each employee.

Section 5.

Any evaluation so retained in respect to any employee may be reviewed by such employee in the office of Human Resources at any reasonable time, upon reasonable prior notice. Such employee shall have the right to file a written statement in response to any such evaluation.

Section 6.

The affected employee shall have the opportunity to see the complete performance evaluation form and shall initial it, whether in agreement with its contents or not.

Section 7.

An employee may only grieve the evaluation procedures of this Article and only to the level of Step 3 of Article 28.

Article 31: No Strikes/No Lockout

Section 1.

Neither the Union nor any employee shall engage in, induce, support, encourage, or condone a strike, work stoppage, slowdown or withholding of services by employees.

Section 2.

The Union shall exert its best effort to prevent any violation of Section 1 of this Article and, if such action does occur, to exert its best effort to terminate it.

Section 3.

The University agrees not to engage in the lock-out of unit employees.

Article 32: Parking and Transportation

Proper parking facilities shall be available to the employees covered by this Agreement within reasonable proximity to their regular work location in accordance with the provisions of the University Parking and Transportation Program.

The University shall endeavor to maintain adequate lighting in all parking areas.

Unit members shall follow and otherwise adhere to the parking regulations of the University.

Members of the bargaining unit shall be entitled to park during their working hours, in designated spaces exclusively for use by bargaining unit members while on duty. The cost of such parking will be the cost for non-reserved on campus parking spaces as follows:

PASS-BASED PARKING RATES FOR MEMBERS OF THE BARGAINING UNIT

Staff rates for payroll deduction monthly or annual pass only; pre-tax payment will further reduce effective rates. Assumes work 5 days/week

ANNUAL SALARY	RATE
< 40K	\$9/day (\$8.18) \$180/month \$2160/year
41K-60K	\$9.90/day(\$9.00) \$198.08/month \$2376.96/year
61K-75K	\$10.40/day(\$9.45) \$208/month \$2496/year
76K-100K	\$10.90/day(\$9.91) \$218.08/month \$2616.96/year
100K+	\$12/day (\$10.91) \$240/month \$2880/year

*Daily rate is annual rate divided by 240 days. Note that daily rate is lower if take single monthly rate divided by 22 days, as noted in parentheses.

At all other times, members of the bargaining unit may park at University parking locations at the then-current daily rate for such locations. They may also purchase monthly, semester or annual parking passes on a pre-tax basis at the then-current rates for such passes established for non-represented employees on the Boston campus.

Article 33: Uniforms

The University will initially supply the employees in this Unit with uniforms and uniform components, as determined by the Chief of Police/Director of Public Safety.

The University will provide for cleaning of uniforms without cost to the employee, pursuant to the policies of the department.

The University will initially supply all required leather gear, as determined by the Chief of Police/Director of Public Safety.

Each officer will be allotted a sum of money on a bi-annual basis to purchase/replace uniforms and equipment in accordance with departmental requirements. Effective July 1, the annual amount shall be **two thousand dollars (\$2,000) to be as follows:**

On or before October 1 st	\$1000
On or before May 1 st	\$1000

The Chief of Police/Director of Public Safety will provide a list of authorized uniform components annually. No substitutions may be made without the specific approval of the Chief of Police/Director of Public Safety or his/her designee.

Article 34: Employee Liability

The University agrees to continue to provide liability insurance, as is currently in effect, at no cost to the employee.

Article 35: Payroll Systems

Section 1.

The parties acknowledge that the University will be implementing new administrative computing and payroll systems. The Union agrees that there may be changes to current business practices, procedures and functions as a result. To ensure that the changes required by these systems (e.g. the change from a weekly to a biweekly payroll system), are introduced and implemented in the most effective and humane manner, the University and the Union will establish a special labor-management committee made up of an equal number of union and management representatives which shall be the sole forum to discuss the impact to the bargaining unit arising from the implementation of the systems. Nothing in this article is meant to waive any other provisions in this Agreement.

Section 2.

The University and the Union agree that all employees shall have their net salary checks electronically forwarded to an account or accounts selected by each employee. In the extraordinary event that the Union alleges that an employee cannot comply with the electronic transfer of salary checks due to

severe hardship, such as inability to access a bank or financial institution during off hours, or there is no ATM available within a reasonable geographic distance from an employee's home, the Union shall request that the Human Resources Division/Department grant a direct Deposit Exemption. The Human Resources Division/Department will review the request and respond within thirty (30) days of receiving such request. Denials of Direct Deposit Exemption Requests shall not be subject to the contractual Grievance and Arbitration Procedure.

Article 36: Savings Clause

In the event that any article, section or portion of this Agreement is found to be invalid or shall have the effect of loss to the University of funds made available through Federal law, rule or regulation, then such specific article, section or portion shall be amended to the extent necessary to conform with such law, rule or regulation, but the remainder of this Agreement shall continue in full force and effect. Disputes arising under this Article shall be discussed with the President or designee and may be submitted by the Union to arbitration.

Article 37: Duration

This Agreement shall be for the three (3) year period from July 1, 2020 to June 30, 2023 and terms contained herein shall become effective on the date of its execution by the parties unless otherwise specified. At the written request of either party, negotiations for a subsequent agreement will be commenced on or after February 1, 2023. This Agreement will remain in full force and effect until a new Agreement is executed or an impasse in negotiations is reached.

Nothing herein shall derogate from the legal rights and duties of the respective parties relative to matters that impact mandatory subjects of collective bargaining.

The University and the Union agree that during the negotiations of the terms of this Agreement, they were afforded the unrestricted right to negotiate all matters covered by Chapter 150E; that they shall be governed exclusively by, and limited to, the terms and provisions of this Agreement and that neither shall have any other obligation or be obligated to negotiate with respect to any matter pertaining to wages, hours, or other terms and conditions of employment, whether or not specifically included in this Agreement or discussed during the negotiations preceding the execution of this Agreement.

This Agreement is subject to ratification.

APPENDIX C: Alcohol and Controlled Substances Testing Policy for Public Safety Personnel

Alcohol and Controlled Substances Testing Policy for Public Safety Personnel

I. PURPOSE OF ALCOHOL AND DRUG TESTING/SCREENING PROGRAM

The University employs five principles as a means to achieve the goals of providing public safety, a workplace free from the effects of alcohol and drug use and to ensure the fair treatment of employees.

The first principle is a commitment by the University and the Union to fairness in testing, free from undocumented and unsubstantiated instances of ordering an employee to be tested and free from harassment by any supervisor. Where there is reasonable suspicion that a supervisor has harassed an employee(s) through the ordering of a test(s) said supervisor shall be subject to investigation and possible disciplinary action.

The second principle emphasizes deterrence from the effects of drug and alcohol use. As such, the University will make education and training available for all employees regarding the effects of substance abuse on individuals and on the workplace. Supervisors and managers will receive specialized training in detection, early intervention and enforcement.

The third principle is detection. To this end, the University will employ alcohol and drug testing in post-incident situations, testing based on reasonable suspicion, and annual physical. All testing will be done by a laboratory certified under the Federal Department of Health and Human Services (DHHS) Mandatory Guidelines for federal workplace alcohol and drug testing programs.

The fourth principle is treatment and rehabilitation. The University supports rehabilitation for those employees whose job is in jeopardy yet who sincerely desire rehabilitation services. All employees are encouraged to receive help for alcohol and drug problems through participation in a recognized, certified Rehabilitation Program.

The fifth principle is enforcement, which is essential if deterrence, rehabilitation and detection are to be successful. All employees must be fit for duty, as defined within this program. As required by the Federal Drug-Free Workplace Act of 1988, this Alcohol and Drug Testing/Screening program proactively notifies all employees that the unlawful manufacture, distribution, dispensing, possession and/or use of a controlled substance is strictly prohibited at all times and on institution property and in the conduct of university business.

Employees found to be in violation of any of the provisions contained in this Alcohol and Drug Testing/Screening Program shall be subject to discipline in accordance with the disciplinary authority set forth in this Agreement.

Unless otherwise provided, in accordance with MGL Chapter 94C, all drug tests will consist of determinations of the presence of five drugs, classes of drugs, or their metabolites: marijuana metabolites, cocaine metabolites, opiates metabolites, phencyclidine (PCP), and amphetamines. In the course of testing, other drugs or their metabolites, as found in MGL Chapter 94C, may be tested for if particular use is suspected. Such other drugs or their metabolites include, but need not be limited to: lysergic acid diethylamide (LSD), methaqualone, barbiturates and benzodiazepines.

III. WHAT ARE THE ALCOHOL AND DRUG PROHIBITIONS?

- A. Alcohol Prohibitions: Public Safety Personnel may NOT report for duty or stay on duty:
 - a) With a blood alcohol concentration of 0.04 or greater; or,
 - b) If in possession of alcohol (unless it is being transported as cargo); or,
 - c) Within eight (8) hours of using alcohol (if not on standby, no penalty shall result from declining a call-in until at least eight (8) hours has passed since the last consumption of alcohol).
 - d) Public Safety Personnel who have had an on-duty accident shall not use alcohol until initial post-incident investigation is completed or they are relieved from duty.

- e) Public Safety Personnel who have had an on-duty accident must submit a blood sample for future testing if the incident investigation indicates the employee is at fault or may have been at fault. If the post-incident investigation determines the employee is not at fault, any blood sample provided will be destroyed, except upon written request of the Public Safety Personnel that the sample be tested.
 - f) Public Safety Personnel shall not refuse to submit to alcohol testing. Refusal shall be considered a positive test.
- B. Drug Prohibitions: Public Safety Personnel shall NOT report for duty or stay on duty while using any illegal drug(s), or controlled substance(s), except when said controlled substance has been prescribed by a physician and does not interfere with one's ability to perform the functions of his or her position in a satisfactory manner.
- 1. Public Safety Personnel shall not report for or stay on duty if he/she has tested positive for illegal drugs and/or a controlled substance not prescribed by a physician.
 - 2. Public Safety Personnel who have had an on-duty accident must submit a blood sample for future testing if the incident investigation indicates the employee is at fault or may have been at fault. If the post-incident investigation determines the employee is not at fault, any blood sample provided will be destroyed, except upon written request of the Public Safety Personnel that the sample be tested.
 - 3. Public Safety Personnel shall not refuse to submit to drug testing. Refusal shall be considered a positive test.

IV. WHAT TESTS ARE REQUIRED AND WHEN WILL I BE TESTED?

- A. There are particular situations where testing of public safety personnel can be done to determine the presence of alcohol and/or drugs.
1. Post-Incident: Any public safety personnel shall be subject to an immediate post-incident alcohol and/or drug test when involved in a "critical incident." A "critical incident" may be defined as:
- a) The actions of any on-duty employee which results in the death or serious bodily injury of a person by any means; or,
 - b) The operation of a vehicle while on-duty which results in a fatal traffic accident or an accident causing any serious bodily injury or property damage in excess of \$2,500.00; or,
 - c) Where the actions of an on-duty employee causes serious bodily injury or death to a person by the use of a firearm; or,
 - d) Where the actions of an off-duty employee cause serious bodily injury or death to a person by the use of a University provided firearm. Such testing to be conducted as soon as brought to the University's attention, if possible.

2. Reasonable Suspicion: All unit members shall be subject to an immediate alcohol and/or drug test if reasonable suspicion of alcohol and/or drug use is determined. Appearance, speech, behavior, and body odor are factors in determining reasonable suspicion. Observations by the employer must be made during working hours. Any decision to test based upon reasonable suspicion of alcohol or drug use must be determined by a supervisor.
 - a) Alcohol testing for reasonable suspicion may take place within two hours of the observation. Tests that cannot be done within eight hours of the observation should not be conducted.
 - b) Public Safety Personnel may not report for duty or stay on the job while under the influence of alcohol. The employer will not allow any employee to perform public safety duties until:
 - 1) His/her alcohol concentration is less than 0.04 or
 - 2) 24 hours have passed from the time of the initial testing.
 - c) The employer will not take action against a public safety employee covered by this policy regarding alcohol misuse on the job unless an alcohol test was administered.
 - d) Notification of alcohol and drug testing shall be included in the job posting for public safety positions.
3. Random: All personnel shall be subject to random unannounced testing by a process designed to ensure that each employee receives an equal chance of being tested each time selections are made. The University shall designate an individual who will be responsible for notifying selected employees regarding random testing and maintaining all University records pertaining to testing dates/times and results. When the employee is notified that he or she has been selected for random testing, the employee must report immediately to the designated testing site.

V. WHAT HAPPENS IF I REFUSE TO BE TESTED?

Public Safety Personnel must submit to alcohol and drug testing. If a unit member refuses to be tested, it is considered a positive test result, the consequences of which will be in effect. Refusal to test is defined as any time the employee either fails to provide enough blood or urine for alcohol or controlled substances testing (without a valid medical excuse) after being notified of the test, or if the employee otherwise obstructs the testing process.

VI. HOW IS ALCOHOL TESTING DONE?

- A. Alcohol testing is done by analyzing a blood sample, which is collected in a private location.
 - a) The collection site person collects the blood sample in the employee's presence. The sample is sent to a testing laboratory certified by the DHHS.
 - b) At the laboratory, a screening test is performed on the primary sample. If the reading is less than 0.04 the test will be reported as negative.

- c) If the employee refuses to be tested or to sign the testing form, the test is considered to be positive and the laboratory will immediately notify the Designated Employer Representative.

VII. HOW IS DRUG TESTING DONE?

- A. Drug testing is done by analyzing urine and/or a blood sample, which is collected in a private location.
 - 1. In accordance with MGL Chapter 94C, all drug tests will consist of determinations of the presence of five drugs, classes of drugs, or their metabolites: marijuana metabolites, cocaine metabolites, opiates metabolites, phencyclidine (PCP), and amphetamines. In the course of testing, other drugs or their metabolites, as found in MGL Chapter 94C, may be tested for if particular use is suspected. Such other drugs or their metabolites include, but need not be limited to: lysergic acid diethylamide (LSD), methaqualone, barbiturates and benzodiazepines.
 - 2. Removal from public safety duties is required following the first positive drug test. The University must place the employee on paid administrative leave upon notification of the first positive drug test. If the analysis of the split sample does not confirm the presence of a drug, the MRO shall report this to the employer and the employee. In this case any paid leave used or time off the payroll will be restored to the employee.
 - a) Urinalysis Testing:
 - 1. The collection site person divides the urine sample into two containers in the employee's presence. The primary sample is sent to a testing laboratory certified by the DHHS.
 - 2. At the laboratory, a screening test is performed on the primary sample. If this test is positive for drugs, a confirmation test is required.
 - 3. The confirmation test will be done (on the same sample) using a specialized procedure called gas chromatography/mass spectrometry, to ensure that over-the-counter drugs are not reported as positive.
 - 4. If the first test is positive, the Medical Review Officer (MRO) will contact the employee to find out if there is a medical reason for drug use. If the MRO determines a legitimate medical reason, the test may be reported as negative.
 - 5. After being notified that the first test was positive, the employee will have 48 hours to contact the MRO and request a test of the split specimen. If the employee does not contact the MRO within 48 hours, but can prove a legitimate reason for not doing so, the MRO may order the split specimen to be tested per request of the employee. The MRO will then notify the designated University Representative of the request for the second test. To ensure objectivity, the split specimen is sent to a different DHHS certified lab for testing. The costs associated with testing a split specimen shall be the responsibility of the employer.

6. If the employee refuses to be tested or to sign the testing form, the test is considered to be positive and the laboratory will immediately notify the Designated Employer Representative.

b) Blood Analysis Testing:

1. The collection site person will collect the blood sample from the employee. The sample is sent to a testing laboratory certified by the DHHS.
2. If the test is positive, the Medical Review Officer (MRO) will contact the employee to find out if there is a medical reason for drug use. If the MRO determines a legitimate medical reason, the test may be reported as negative. APPENDIX D: Physical & Psychological Fitness Policy

I. Purpose:

An individual's ability to successfully perform the essential functions of the job of police officer is directly related to his or her level of physical and mental fitness. As such, the goal of the Department is to ensure the physiological and psychological fitness of its employees to meet the physical and mental demands of the profession as consistent with recognized business necessity, legal precedent, and the Americans with Disabilities Act (3 USC § 411).

II. Mandatory Physical Exams:

- A. Prior to employment, all police applicants are required to pass both a physical and a psychological examination, with the cost to be borne by the University.
- B. The terms "employee" and "employees" as used hereinafter in this Agreement refer to employees holding the rank of Lieutenant.
- C. The University and the Union agree, any employee who was appointed to this unit prior to January 1, 2016, shall be excluded from participating in the mandatory annual physical fitness examination outlined in Section V. At any time, the employee(s) may withdraw his/her exclusionary right to participate in the program. Once an employee withdraws his/her right, he/she will be subjected to this Agreement.

III. Essential Physical Abilities:

- A. Police officers, by the nature of their job duties, are required to maintain an above average level of physical fitness necessary to perform those tasks that may be required on the job. All police officers will participate in the physical fitness program and be subject to the standards set forth therein. Police officers who are unable to participate in the physical fitness assessment or testing may be temporarily waived from the standard by the Chief of Police upon medical proof of a condition that would prevent them from completing either the assessment or testing.
- B. Any employee who fails to participate in the physical fitness test, shall refer to Section VI (six) of this Agreement.
- C. In order to support Officers in maintaining their physical fitness level, the Department will provide gym memberships to the University of Massachusetts Boston Beacons Fitness Center. In order to use this facility the following parameters must be utilized:

Prior to using the Beacon Fitness Center, employees must read and sign a waiver form (Appendix: Beacons Fitness Waiver) and submit the signed waiver to the Office of the Chief of Police.

IV. Medical Screening:

- A. To ensure that participants are able to safely engage in strenuous physical exercise, each employee governed by this Agreement must pass a cursory medical screening prior to taking the test or provide medical documentation on a form provided by the Department from the employee's primary care provider attesting to the employee's fitness to perform the standards set forth within Section V (five) of this Agreement. The employee shall bear the cost of the medical screening.

- B. Medical documentation must be dated and signed by the employee's primary care physician within five (5) days prior to the test.
- C. An employee who, as a result of the cursory medical screening, is not medically cleared to participate in the physical fitness test and/or who is unable to provide the medical documentation from the employee's primary care provider clearing the employee to participate in the physical fitness test shall be considered to have failed the test.
- D. Any employee, who fails to pass the physical fitness test, shall refer to Section VI (six) of this Agreement.

V. Physical Fitness Examination:

- A. Physical fitness examination will be required on an annual basis with the intention to ensure that Police Officers comply with basic standards of muscular strength and aerobic fitness. The time interval between the medical screening and the annual physical fitness testing will be at least forty-five (45) days (not including re-tests).
- B. Upon the signing of this agreement, the initial phase of the examination process shall be implemented solely for the purposes of establishing employee base-line physical fitness performance data, and shall not be used to expose the employee to either the multiple examination or the employment evaluation provisions of Section VI (six) of this Article.
- C. The physical fitness examination will be valid and job-related. The test events will be linked to the essential functions of the job. Employee performance within the context of the above will be assessed by applying the Cooper Institute's single standard chart and a passing score derived from the actual scores of job incumbents.
- D. The physical fitness testing will be conducted by the Chief of Police or designee. The designee will turn over the results of individual tests to the Office of the Chief of Police for evaluation and/or action.
- E. Employees who are having difficulty meeting the physical fitness standards due to injury or illness are responsible for notifying the Office of the Chief of Police in writing of their difficulties. The Office of the Chief of Police will take those difficulties into consideration when scheduling the individuals for their fitness test.
- F. The physical fitness standards will be prescribed by the Cooper Institute's single standard chart. Annual tests will be conducted with the minimum standard for performance to fall within the 60th percentile of the single standard chart. It is understood the Cooper Standard may change over time and the most recent standards will be the basis of the evaluation.
- G. The Department of Public Safety will make available a Physical Fitness Test Preparation Guide to all employees who shall take the Physical Fitness Examination referenced in this section. The Test Preparation Guide will provide information on the components of the Physical Fitness Examination, exercise helpful in test preparation linked to each event in the test, and an outline of a healthy nutrition regimen. The Test Preparation Guide will outline a twelve (12) week program that will help employees prepare to take the Physical Fitness Examination.

H. Employees are required to take all components of the test within their respective category (See chart). The physical fitness test is comprised of the following components and will be performed in the order listed. In order to pass the test, employees must meet the minimum score of the 60th percentile in all four tests.

1. **1.5 Mile Run:** This is a measure of aerobic power or vascular system capability to transport oxygen. This is the foundation for almost all physical tasks. Example: Use of force incident or administering one man CPR.
2. **Push-ups:** This is a measure of dynamic upper body strength. This is an important part of any dynamic physical exertion scenario. Example: Gaining physical control of a suspect or clearing a roadway.
3. **Sit-ups:** This is a test of the muscular endurance of the trunk including the abdominal muscles and hip flexors. This is an important factor in a use of force scenario and minimizing lower back problems. Example: Gaining control of a suspect.
4. Vertical Jump: This is a measure of jumping or explosive power. This is an important factor in exerting pursuit tasks that require jumping or vaulting. Example: Scaling a fence.

1. If an employee fails to pass the physical fitness examination, pursuant to the standards as referenced in Section V (five), he/she will be eligible to undergo a further test not more than twelve (12) weeks following the first physical fitness examination, but as soon as such employee desires to take a re-test with proper medical clearance. No employee will be required to take the test prior to twelve (12) weeks from the administration of the last test. The Employer recommends a period of training for the employee between re-tests.

2. If an employee fails to pass the second test, pursuant to the standards as referenced in Section V (five), the employee will be eligible to undergo a third test not more than twelve (12) weeks following the administration of the second test. No employee will be required to take the test prior to twelve (12) weeks from the administration of the last test. The exact date of the third test will be provided to the employee not less than two (2) weeks prior to the date established for the third test. The third test will be conducted and results will be determined in full conformance with the context of the first test.
3. If an employee, subject to taking the second or third tests, is on authorized leave during the periods for such tests, as related above, such tests will be administered as soon as practicable upon the employee's return from such leave. An employee's failure to pass the first or second physical fitness test will not result in any alteration of assignment or benefit entitlement.
4. If an employee fails to pass the third examination, pursuant to the standards as referenced in Section IV (five) of this Article, the issue of the employee's continued employment will be subject to review and to disposition consistent with section IX of the article.
5. Notwithstanding the foregoing, where an employee's failure to achieve a passing result in any of the examinations, as referenced in Section V (five) of this Article, can be attributable in whole or in part to an impairment or a condition existing as of his/her initial entry into the Department of Public Safety, or to injury, illness or incapacity, such employee's continued employment will be subject to review and to disposition consistent with Article IX (nine) and all relevant circumstances, including accommodations required by relevant law; provided, however, that where an employee's failure to achieve a passing result on the physical fitness examination is due to a temporary injury, illness or incapacity, such employee shall continue to be employed with duties adapted to such injury, illness or incapacity until such time as the employee shall achieve a passing result on the physical fitness examination. Examples of a temporary injury are: broken bones set in casts, accident injuries that require medical care but gradually go away, and including, but not limited to; pregnancy.

IX. Fitness for Duty Evaluation

- A. Given the nature of some positions at the Department of Public Safety, it is important that employees are capable of completing necessary job related functions for their current assignment. All employees shall maintain sufficient physical conditioning and psychological wellness to enable them to perform these functions. An employee who is unable to either physically or psychologically complete the tasks necessary for their job classification may place themselves, their fellow employees and/or the community at risk.
- B. The Chief of Police or designee may order an employee to be examined by a department approved licensed physician, psychologist, or psychiatrist to determine the officer's ability to perform the essential physical and mental abilities of the job functions under any of the following circumstances:

- D. Any employee or supervisor who observes an officer who he or she believes is incapable of meeting these essential physical abilities, or who he or she believes may not be psychologically competent, shall notify the Chief of Police in writing.
- E. The cost of the fitness for duty evaluation will be borne by the Department.
- F. The Chief of Police may, upon review of an evaluation conducted by a licensed physician, psychiatrist, or psychologist, determine that an officer is unable to perform the essential physical and/or mental functions of the job and remove the officer from full duty status until such time as the officer is able to meet such requirements.
